(57) **CLAIM**
The ornamental design for a work glove, as shown and described.

DESCRIPTION

FIG. 1 is a view of the dorsal surface of a left-hand glove of an embodiment of a design for a work glove.
FIG. 2 is a view of the palmar surface of the left hand glove of an embodiment of the design for a work glove.
FIG. 3 is a top view of the dorsal surface of a left-hand glove of an embodiment of the design for a work glove.
FIG. 4 is a view of the radial side of the left-hand glove of an embodiment of the design for a work glove; and,
FIG. 5 is a view of the ulnar side of the left-hand glove of an embodiment of the design for a work glove.
The uniformly segmented broken lines shown on the glove illustrate stitching that forms a part of the claimed design.

1 Claim, 2 Drawing Sheets
