The ornamental design for a vehicle mounted gunner protective enclosure, as shown and described.

DESCRIPTION

The invention described and claimed herein may be manufactured, used, and licensed by or for the U.S. Government for U.S. Government purposes.

FIG. 1 is a perspective view of a gunner protective enclosure showing our new design;

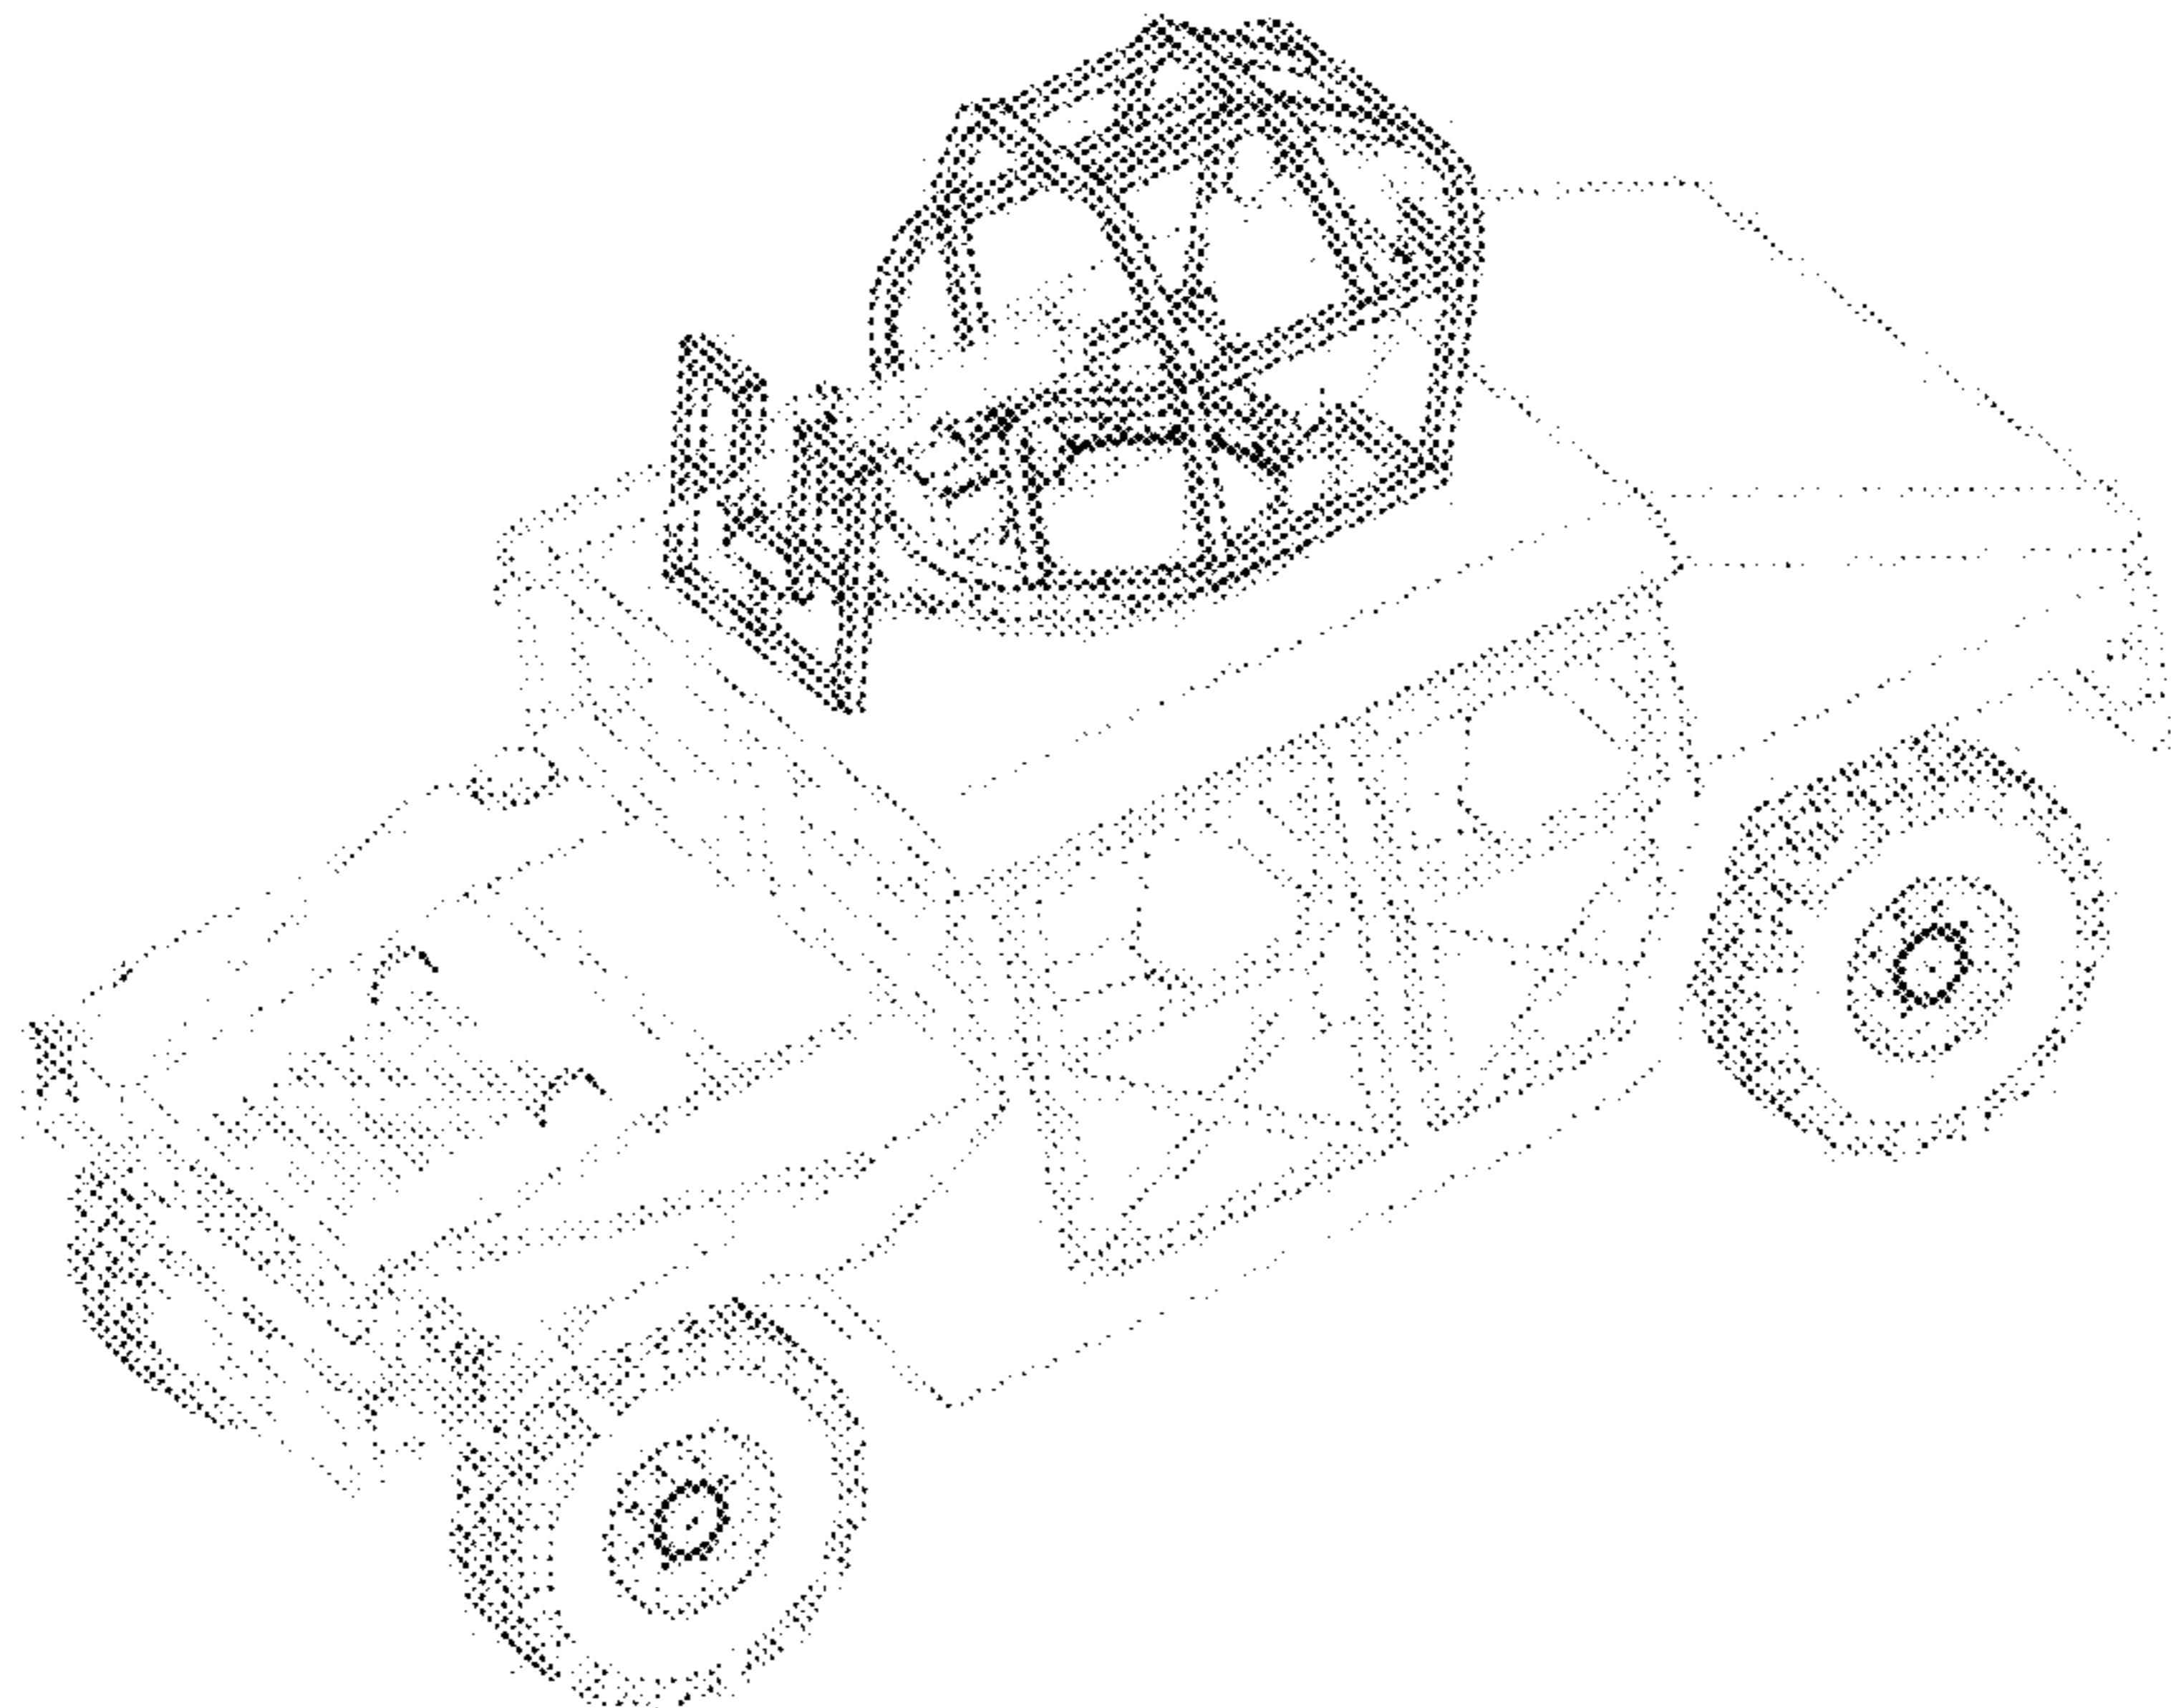

FIG. 2 is a front elevation view thereof;

FIG. 3 is a rear elevation view thereof;

FIG. 4 is a right side elevation view thereof, the left side being a mirror image; and,

FIG. 5 is a top plan view thereof.

FIG. 1 contains, in broken lines, a typical vehicle upon which the subject new gunner protective enclosure design may be mounted—this vehicle is included merely for context and illustrative purposes and forms no part of the claimed design.
