(57) **CLAIM**

The ornamental design for a television screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a television screen with graphical user interface showing our new design; FIG. 2 is a second embodiment thereof; and, FIG. 3 is a third embodiment thereof. In the drawings, the evenly spaced broken lines illustrating a television and television screen form no part of the claimed design. The dash-dot broken lines define the bounds of the claimed design and form no part thereof.
