(57) **CLAIM**

The ornamental design for faucet winterization protection cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the faucet winterization protection cover of the present invention;
 FIG. 2 is a front view of the faucet winterization protection cover of the present invention;
 FIG. 3 is a rear view of the faucet winterization protection cover of the present invention;
 FIG. 4 is a left side view of the faucet winterization protection cover of the present invention;
 FIG. 5 is a right side view of the faucet winterization protection cover of the present invention;
 FIG. 6 is a top view of the faucet winterization protection cover of the present invention with the lid in the open position;
 FIG. 7 is a bottom view of the faucet winterization protection cover of the present invention; and,
 FIG. 8 is a perspective view of the faucet winterization protection cover of the present invention with the lid in the closed position.
 The broken lines showing the lid hinges are for purposes of illustrating environmental structure only and form no part of the claimed design.

1 Claim, 5 Drawing Sheets
