(57) **CLAIM**

The ornamental design for an icon for a display screen or portion thereof, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.
FIG. 1 is a front view of an icon for a display screen or portion thereof showing our new design; and,
FIG. 2 is a front view of a second embodiment thereof.
In the drawings, the broken lines show a portion of the display screen with icon and form no part of the claimed design.
