(57) **CLAIM**

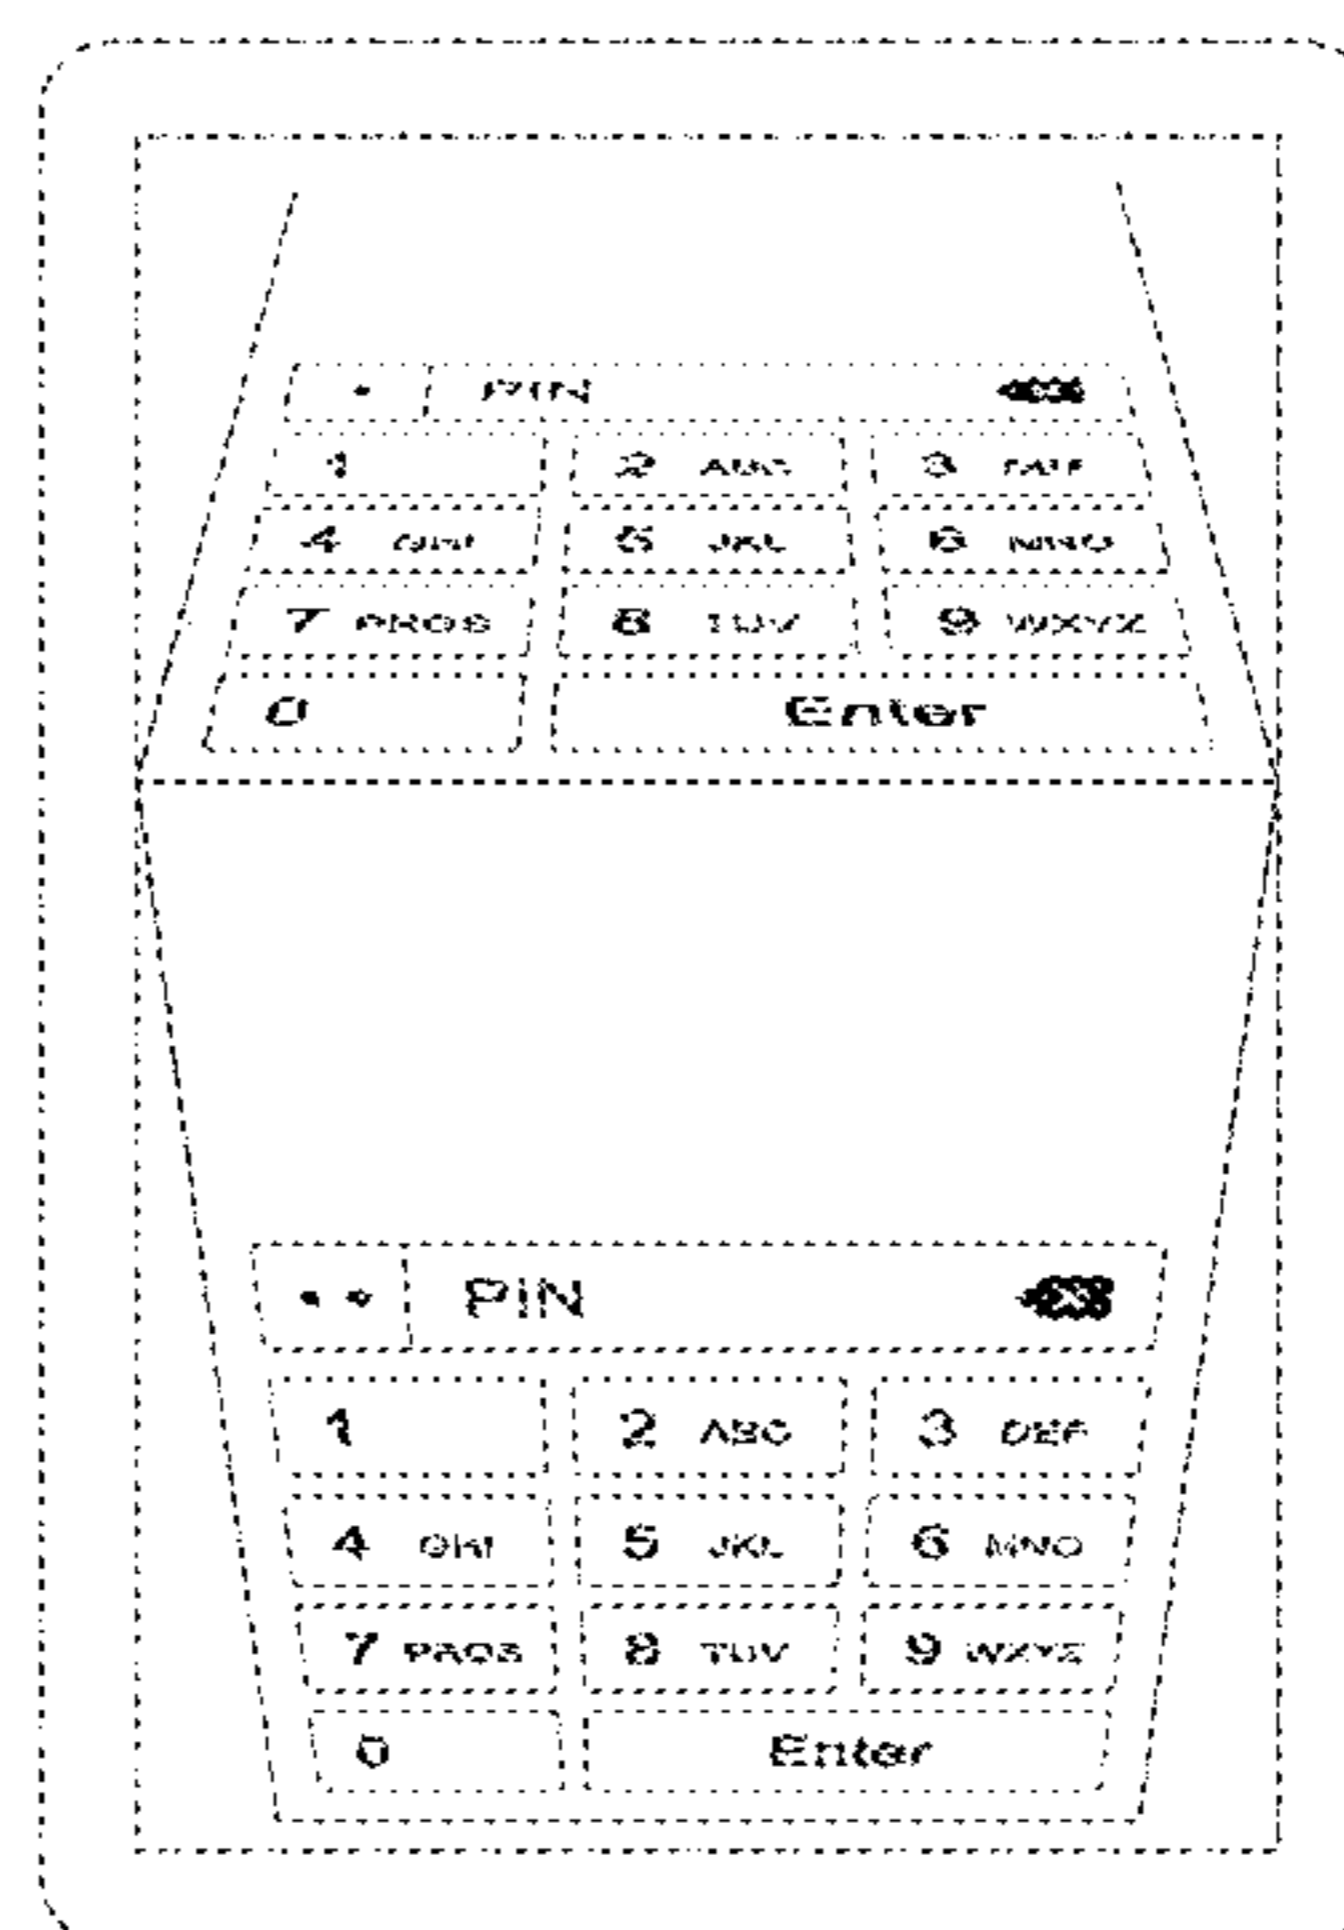

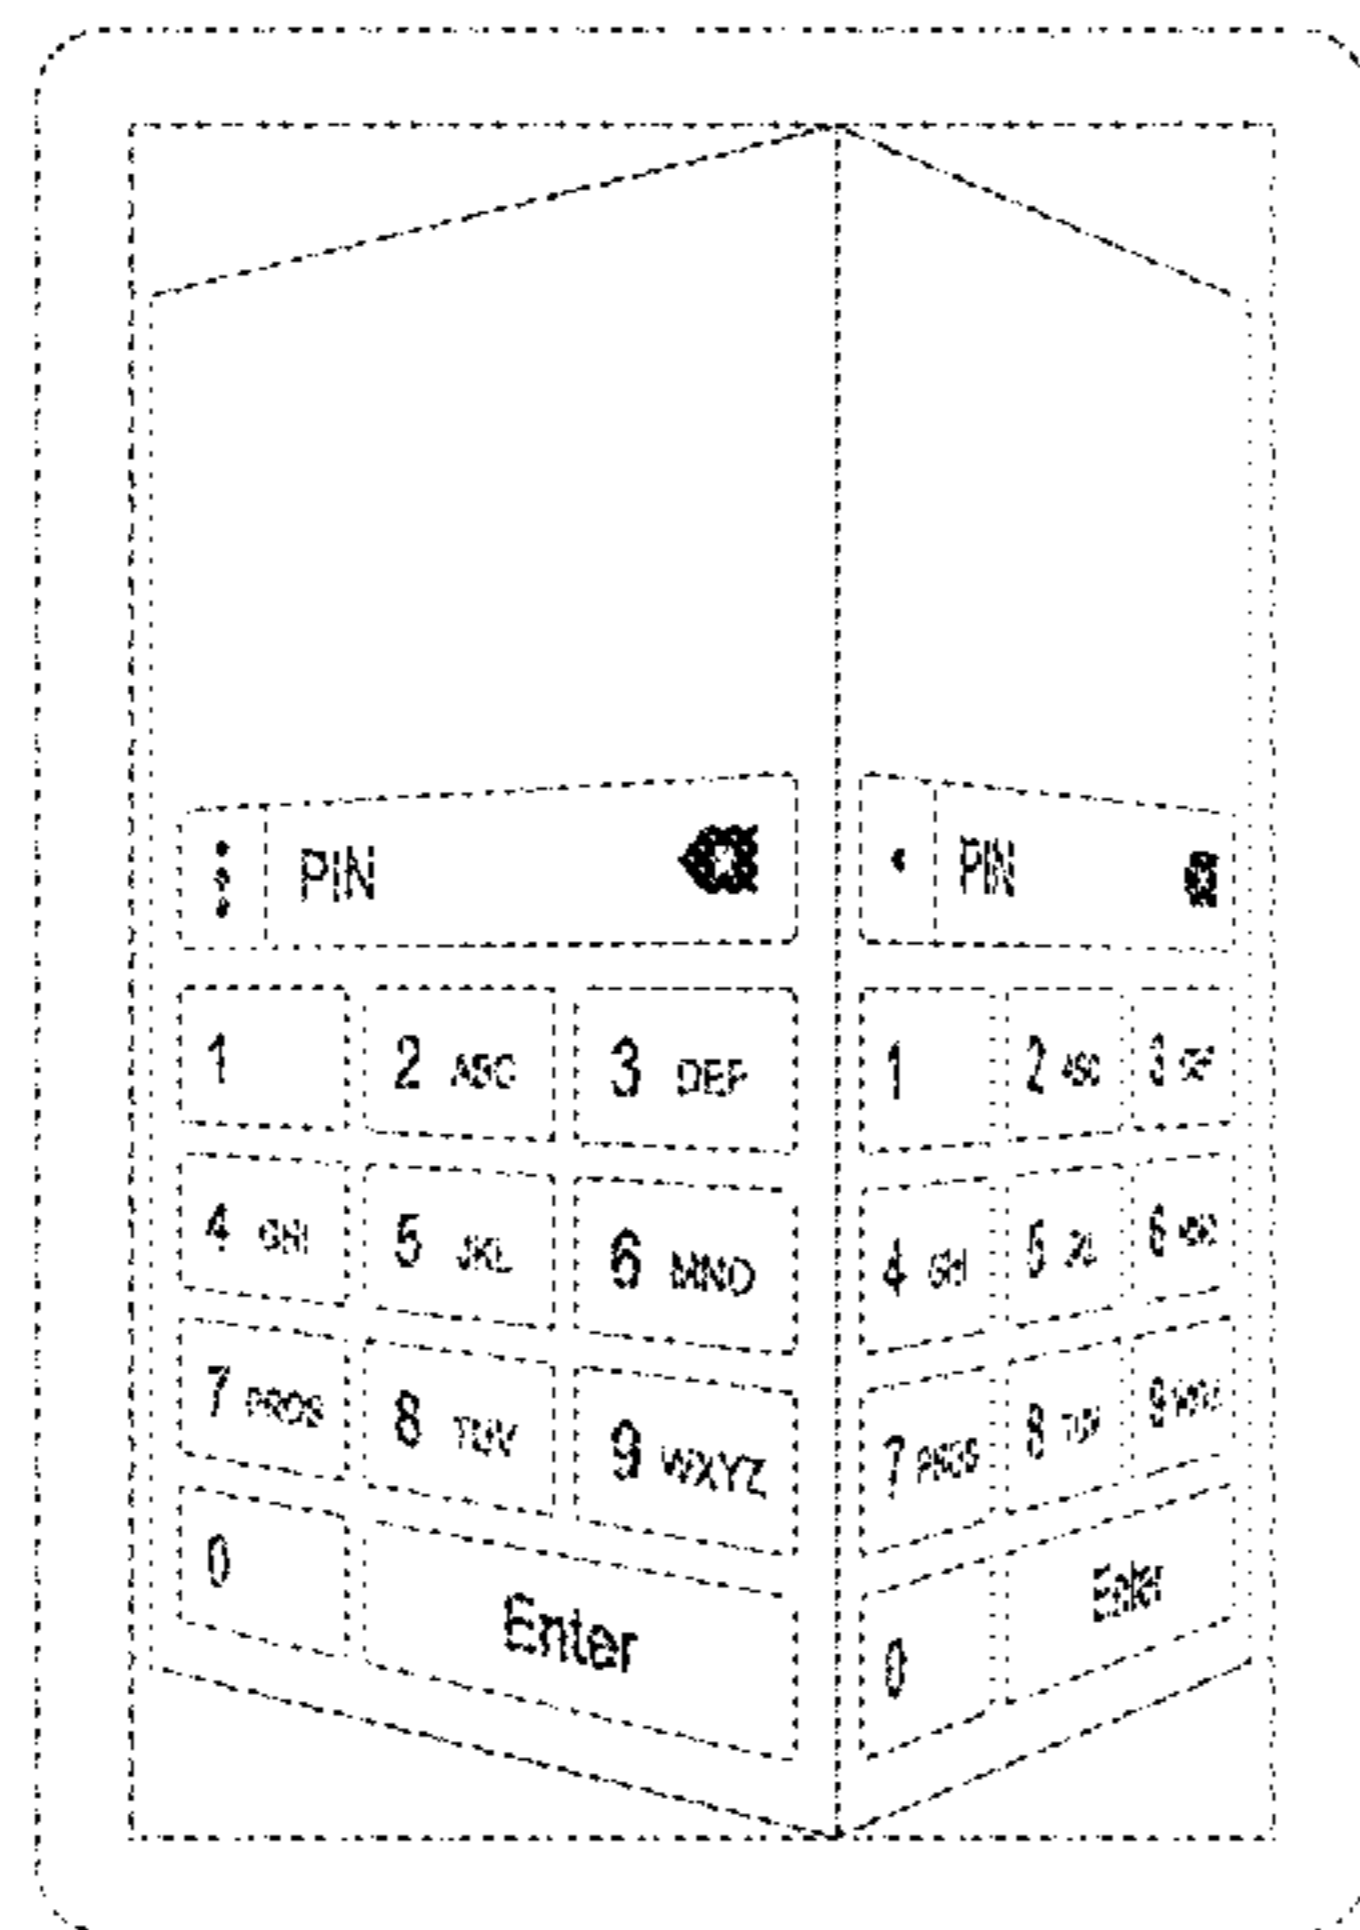

The ornamental design for display screen with graphical use interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface, showing a first embodiment thereof; and, FIG. 2 is a front view of a display screen with graphical user interface, showing a second embodiment thereof.

The outer broken line illustrating the electronic device is included for the purpose of illustrating environmental structure, and the inner broken line showing the display screen is included for the purpose of illustrating portions of the article; all broken lines form no part of the claimed design.

1 Claim, 2 Drawing Sheets
