(57) **CLAIM**

The ornamental design for a nasal dilator, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of the nasal dilator, a rear view thereof being a mirror image of the front view, the nasal dilator being substantially flat so that side and end views thereof are substantially a line.

The broken lines are for the purpose of illustrating portions of the nasal dilator and form no part of the claimed design. The dot-dash broken lines represent an unclaimed boundary and form no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
