(57) **CLAIM**

The ornamental design for a television receiver with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a television receiver with graphical user interface showing our new design. The broken lines showing the television receiver and portions of the graphical user interface are included for the purpose of illustrating environmental structure and form no part of the claimed design. The dash-dot broken lines define the bounds of the claimed design and form no part thereof.
