(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with animated graphical user interface, as shown and described.

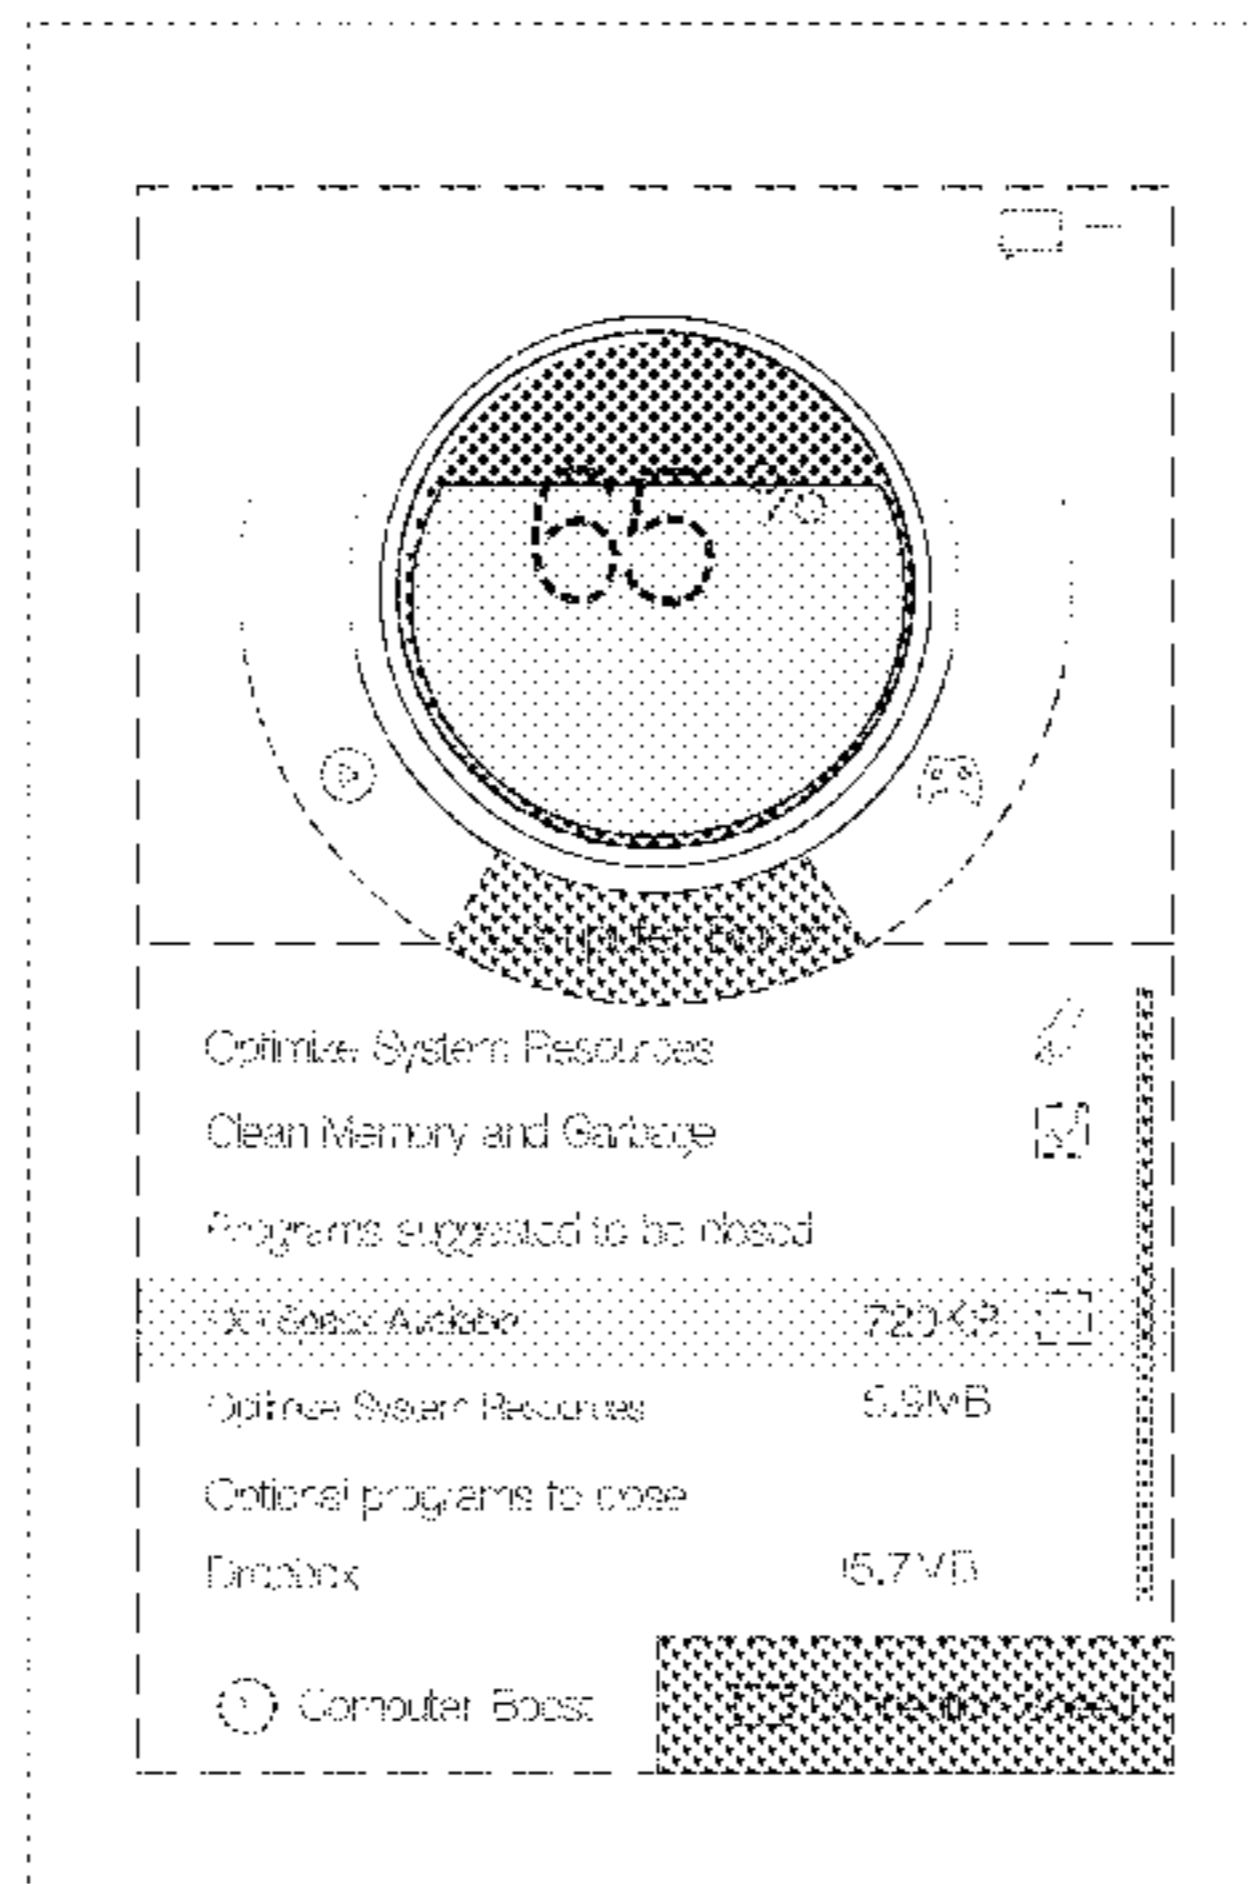

DESCRIPTION

FIG. 1 is a first image in a sequence for a display screen or portion thereof with animated graphical user interface; FIG. 2 is a second image thereof; FIG. 3 is a third image thereof; FIG. 4 is a fourth image thereof; and, FIG. 5 is a fifth image thereof.

The ornamental design which is claimed is shown in solid lines in the drawings. The broken lines in the drawings depict environmental subject matter only for illustrative purposes and form no part of the claimed design. The numbers and words shown in broken lines are unclaimed features of the graphical user interface.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-5. The process or period in which one image transitions to another image forms no part of the claimed design.
