(57) **CLAIM**

The ornamental design for a retail display, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the new design for a retail display. FIG. 2 is a front and left side perspective view of the new design of FIG. 1; and, FIG. 3 is a front and right side perspective view of the new design of FIG. 1.

In the figures, the thinner solid lines appearing within the boundaries of the retail display are shading lines used to indicate the flat surfaces of the retail display. The dashed lines at the top, bottom, left, and right sides of the retail display are directed to environmental structure and form no part of the claimed design.
