(57) **CLAIM**

The ornamental design for a window air conditioner security lock, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view for a window air conditioner security lock with the lock displaced showing my new design; FIG. 2 is a rear side view with the lock displaced thereof; FIG. 3 is a bottom side view with the lock displaced thereof; FIG. 4 is a front side view with the lock installed thereof; FIG. 5 is a top side view with the lock installed thereof; FIG. 6 is a left side view with the lock installed thereof; FIG. 7 is a right side view with the lock installed thereof; and, FIG. 8 is a lower perspective view with the lock installed. The portion between the broken away indicates undetermined length of arm and form no part of the claimed design.
