(57) **CLAIM**

The ornamental design for a golf club head, as shown and described.

DESCRIPTION

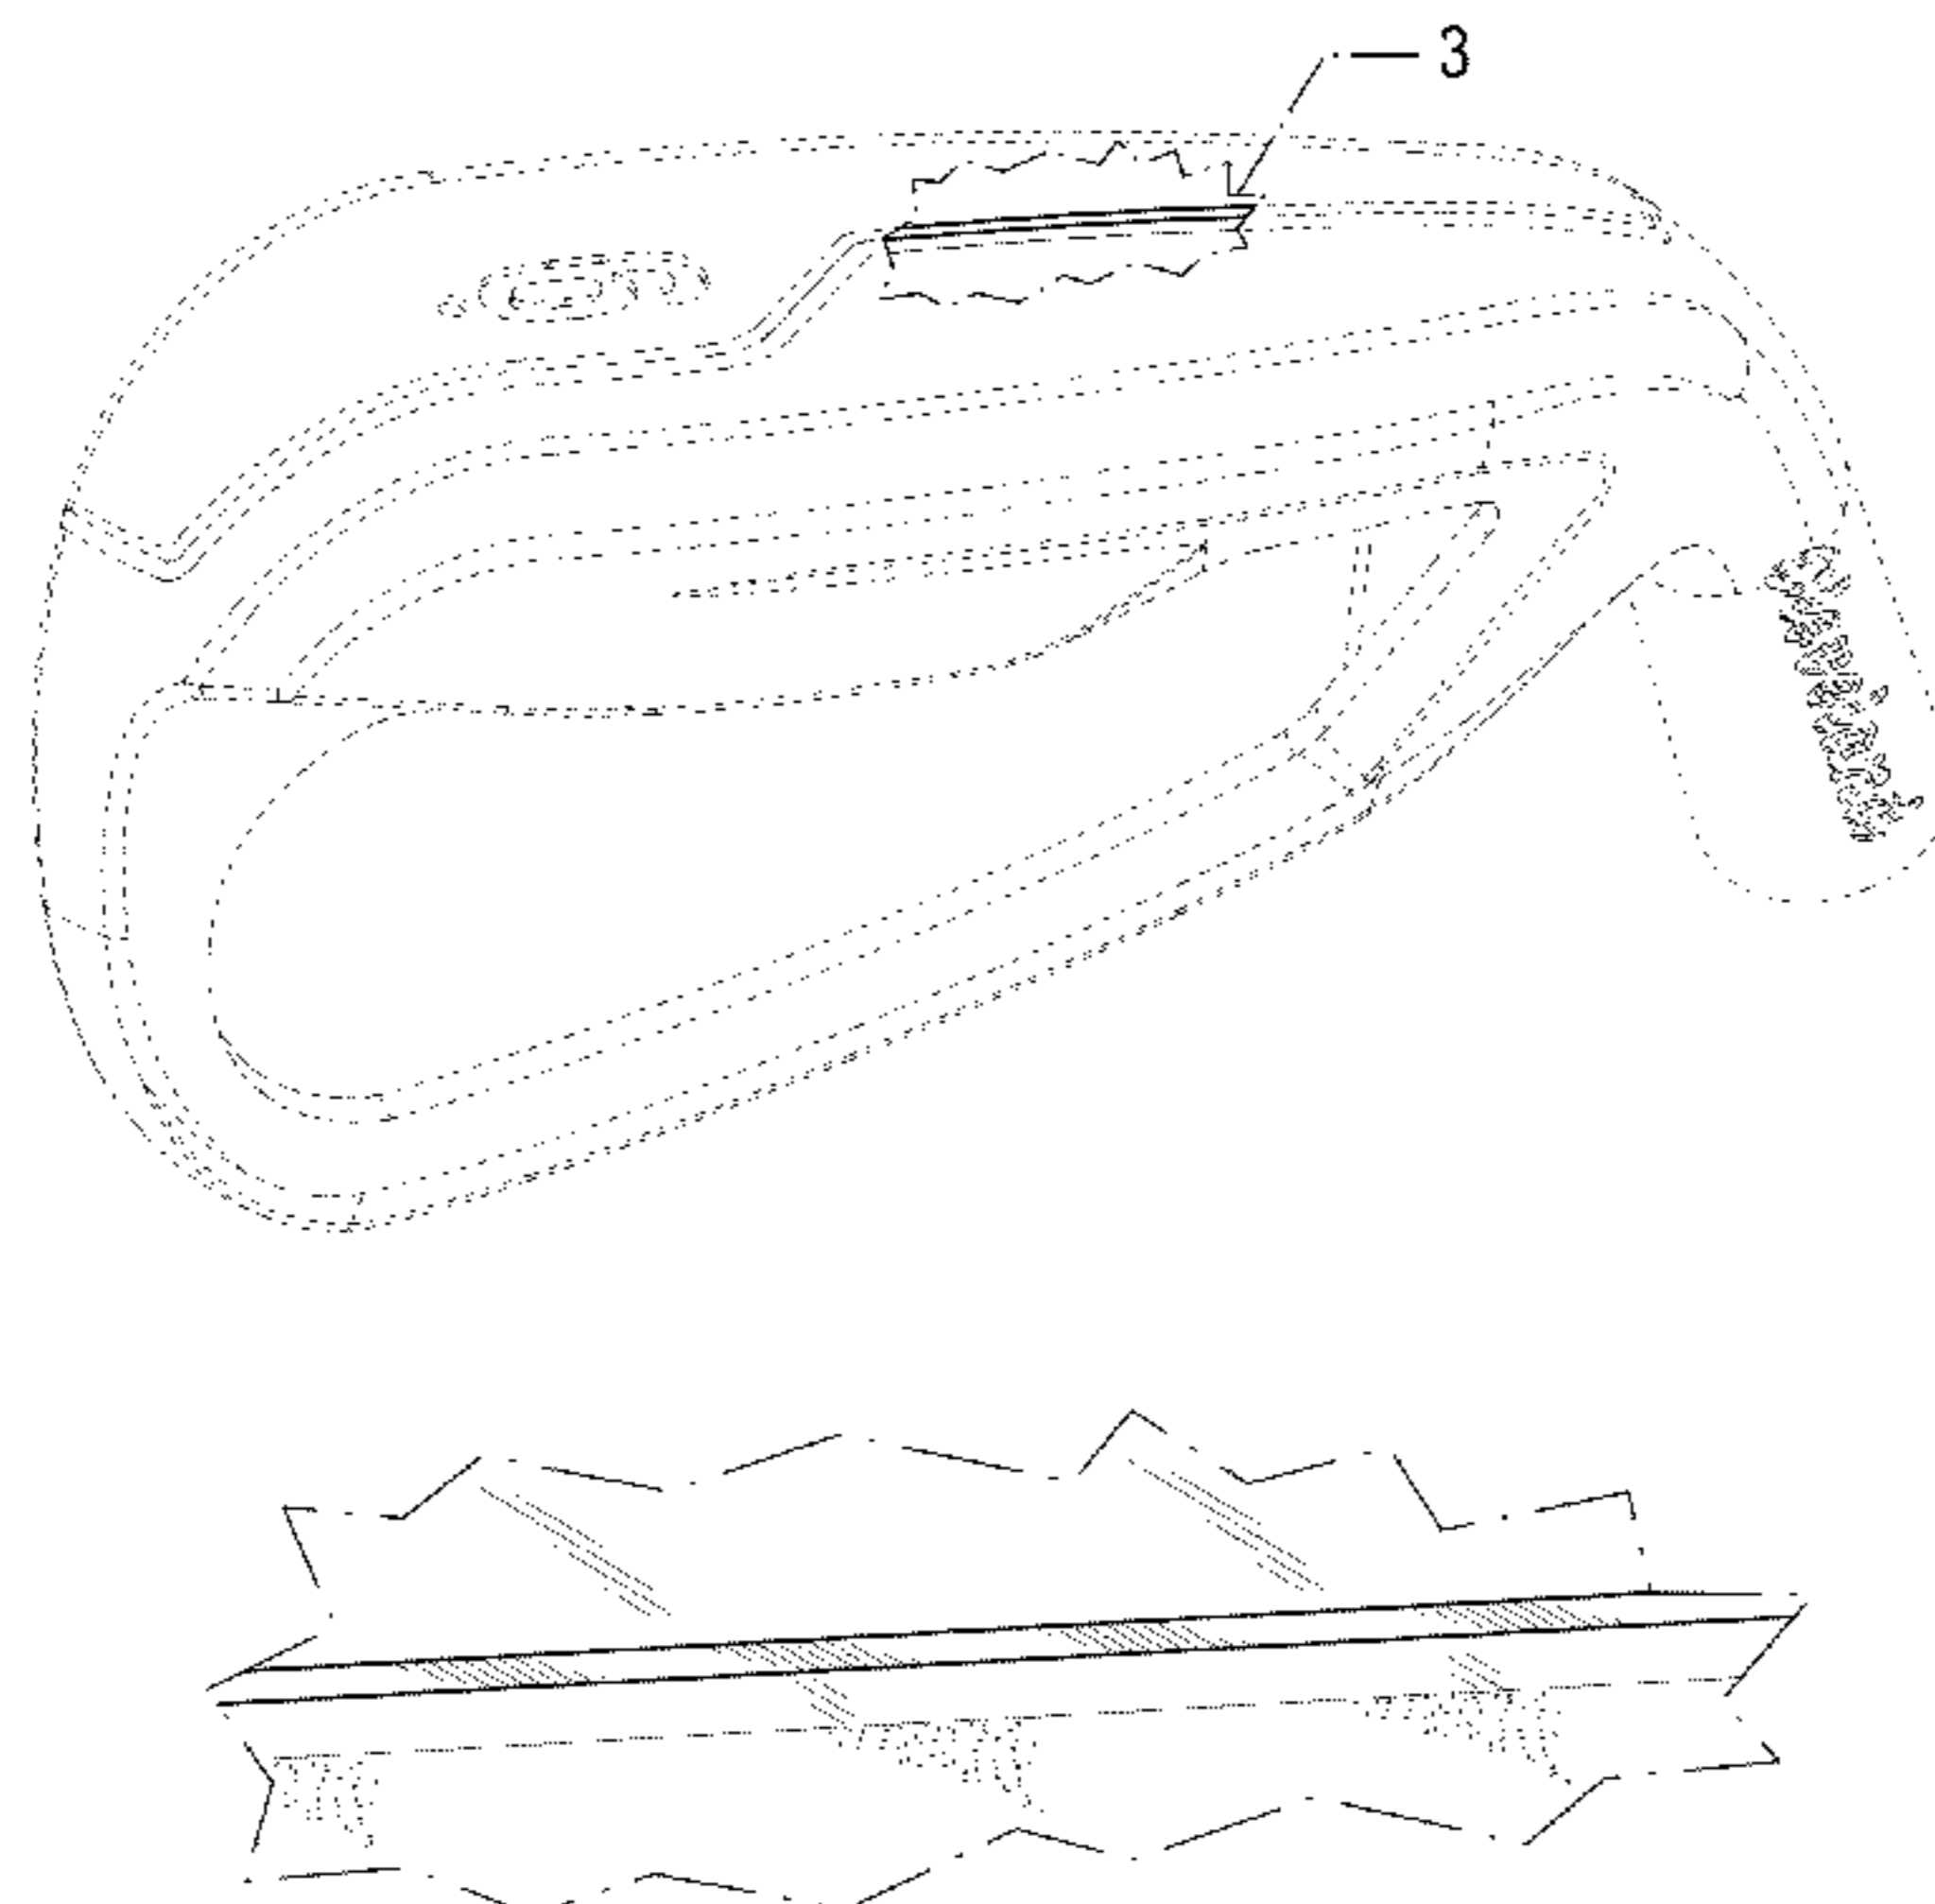

FIG. 1 is a bottom plan view of the golf club head;
FIG. 2 is a rear, toe-side, bottom perspective view thereof;
and,
FIG. 3 is an enlarged view of the area 3 in FIGS. 1 and 2.
The dot-dash chain lines immediately adjacent the shaded
surfaces represent a boundary of the claimed subject matter
and the broken lines depict environmental subject matter. The
dot-dash chain lines and the broken lines form no part of the
claimed design. The difference in shading between the three
shaded regions indicates respectively contrasting appearance
among the three shaded regions, but the shaded regions are
not intended to denote any particular color, texture, or mate-
rial.
