The ornamental design for drying mat, as shown and described.

DESCRIPTION

FIG. 1 is a plan view of a drying mat showing my design wherein the figure shows my new design in a repeating pattern having raised portions that are intended to be applied uniformly to the entire surface of the embodiment of the drying mat as shown in FIG. 1; and,

FIG. 2 is a plan view of an alternate embodiment of a drying mat showing my new design wherein the figure shows my new design in a repeating pattern having raised portions that are intended to be applied uniformly to the entire surface of the embodiment of the drying mat as shown in FIG. 2. The surfaces and portions of the drying mat as shown in FIGS. 1 and 2 that would be normally visible but are not shown in the photographs are not described in this specification form no part of the claimed design.

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

On the Title Page

Item (57), in the description of the figures, the following changes were requested in a preliminary amendment and should be incorporated:

The description of Figure 1 should be omitted.

Figure 2 should be renamed Figure 1.

The description of Figure 2 should be amended to read: "Figure 1 is a plan view of a drying mat showing my new design wherein the figure shows my new design in a repeating pattern having raised portions that are intended to be applied uniformly to the entire surface of the embodiment of the drying mat as shown in Figure 1."

The final paragraph in the description should be amended to read: "The surfaces and portions of the drying mat as shown in Figure 1 that would be normally visible but is not shown in the photograph is not described in this specification form no part of the claimed design."

Under abstract "1 Claim, 2 Drawing Sheets" should read --1 Claim, 1 Drawing Sheet--.

In the Drawings

Figure 2 should be omitted. Figures 1 and 2 are currently duplicates of the same image.
