(57) **CLAIM**

We claim, the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design. The broken lines illustrating portions of the display screen or portion thereof with graphical user interface are for environmental purposes only and form no part of the claimed design. It should be appreciated that at least a portion of the display screen is shown inside the broken lines. In addition, any other broken lines such as but not limited to those showing the alphanumeric characters and symbols are for environmental purposes only and form no part of the claimed design.
