(57) **CLAIM**

The ornamental design for a display screen or portion thereof with icons, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE is a front view of a display screen or portion thereof with icons showing our new design. The dot-dash broken lines represent the boundary of the display screen. Neither the boundary nor the broken lines themselves form part of the claimed design.
