(57) **CLAIM**

The ornamental design for a lighter, as shown and described.

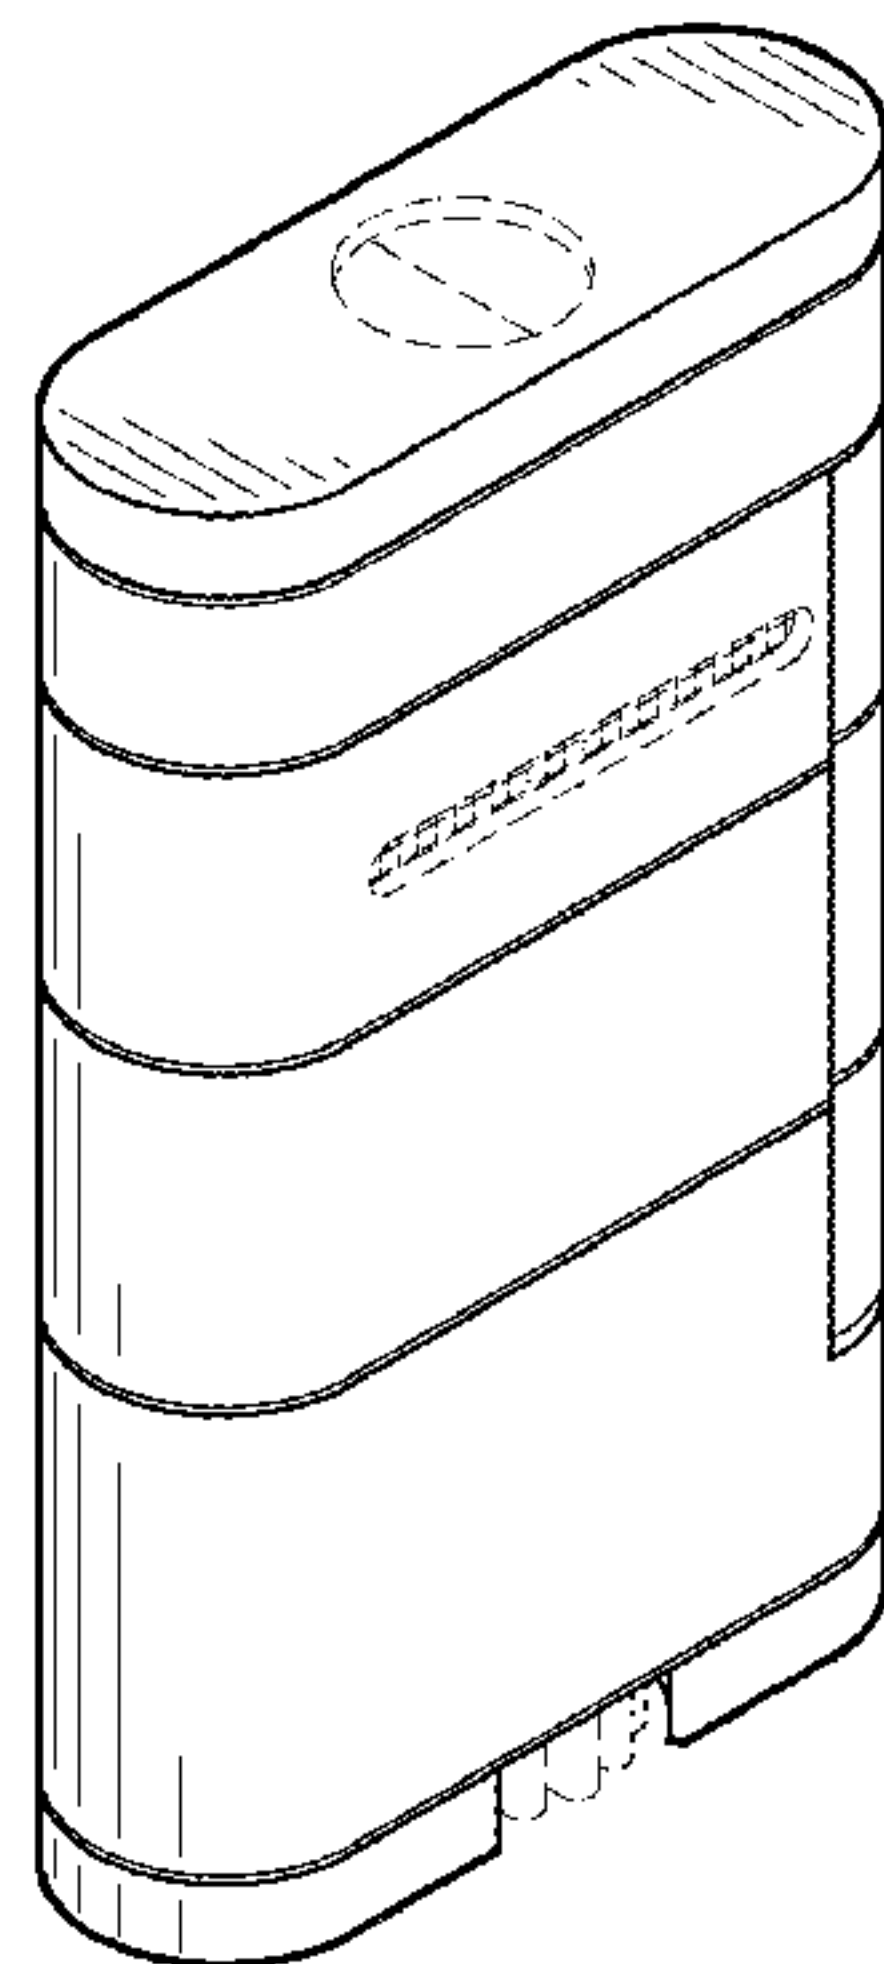

DESCRIPTION

FIG. 1 is a perspective view of the lighter according to the present invention;
 FIG. 2 is a top plan view of the lighter according to the present invention;
 FIG. 3 is an elevational view of one side of the lighter according to the present invention;
 FIG. 4 is an elevational view of the opposite side of the lighter according to the present invention;
 FIG. 5 is a front elevational view of the lighter according to the present invention; and,
 FIG. 6 is a rear elevational view of the lighter according to the present invention.

The bottom of the lighter is not visible during normal use and therefore is not shown and forms no part of the claimed invention. The broken lines showing the jet flame cover and opening, side vents, fuel gauge window and adjustment wheel in FIGS. 1-4 are for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 2 Drawing Sheets
