(57) **CLAIM**  
The ornamental design for a bolster cushion, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the bolster cushion of the present design.  
FIG. 2 is a front elevation view of the bolster cushion of the present design.  
FIG. 3 is a rear elevation view of the bolster cushion of the present design.  
FIG. 4 is a left side elevation view of the bolster cushion of the present design.  
FIG. 5 is a right side elevation view of the bolster cushion of the present design.  
FIG. 6 is a top plan view of the bolster cushion of the present design; and,  
FIG. 7 is a bottom plan view of the bolster cushion of the present design.  
The broken lines represent features that form no part of the claimed design.  
The dotted lines indicate stitching and form no part of the present design.
