(57) **CLAIM**

The ornamental design for wire retainer, as shown and described.

**DESCRIPTION**

FIG. 1 is a front isometric view of a first embodiment of a wire retainer, showing my design;  
FIG. 2 is a front view thereof, the rear view being a mirror image of the front view;  
FIG. 3 is a top view thereof; and,  
FIG. 4 is a side view thereof, both side views being identical.  
The bottom of the wire retainer is flat and unornamented, and forms no part of the claimed design.  
The broken line showing of parts of the drawings illustrates portions of the wire retainer and forms no part of the claimed design.
