(57) **CLAIM**

We claim, the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIGURE is the front view for a display screen or portion thereof with graphical user interface showing our new design. The two outermost broken lines illustrate a display screen or portion thereof. The broken lines within the display screen or portion thereof, including all text, numbers, and indicia, and the vertical lines between texts on the bottom of the display screen, illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.
