(57) **CLAIM**

The ornamental design for a magazine for airsoft gun, as shown and described herein.

DESCRIPTION

FIG. 1 is a top, front, left-side perspective view of a magazine according to the present invention.
 FIG. 2 is a top, front, right-side perspective view of a magazine according to the present invention.
 FIG. 3 is a top, rear, right-side perspective view of a magazine according to the present invention.
 FIG. 4 is an enlarged perspective view of the top of the magazine from FIG. 2.
 FIG. 5 is a top plan view of a magazine according to the present invention.
 FIG. 6 is a bottom plan view of a magazine according to the present invention.
 FIG. 7 is a left-side elevation view of a magazine according to the present invention.
 FIG. 8 is a front elevation view of a magazine according to the present invention.
 FIG. 9 is a right-side elevation view of a magazine according to the present invention; and,
 FIG. 10 is a rear elevation view of a magazine according to the present invention.
 Elements of the fixtures in the attached figures are in broken lines for illustrative and/or environmental purposes only and form no part of the claimed design.
