(57) **CLAIM**

I claim the ornamental design for a leather tote with a horse-shoe handle, as shown and described.

DESCRIPTION

FIG. 1 illustrates a front perspective view of a tote showing the new design;
FIG. 2 illustrates a rear perspective view of the tote of FIG. 1;
FIG. 3 illustrates a front close-up view of the handle of the tote of FIG. 1; and,
FIG. 4 illustrates a top perspective view of the tote of FIG. 1. The characteristic feature (solid lines on any replacement drawings) of the design resides in a horseshoe applied to the handle of the tote as shown and described. Art work (absent from any replacement drawings) on the main compartment outer surfaces of various embodiments is for the purpose of illustrating environment, and forms no part of the claimed design. Panel pockets (broken lines on any replacement drawings) on the rears of the first and second embodiments are for the purpose of illustrating environment, and form no part of the claimed design.
