(57) **CLAIM**

The ornamental design for a hanger for a door top, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing the right side, top and front of a hanger for a door top which forms one embodiment of my new design, the knobs shown in broken lines being for environmental purposes only and forming no part of my design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof, this view and the opposite rear elevational view being identical;

FIG. 4 is a right side elevational view thereof, this view and the opposite left side elevational view being identical;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a perspective view showing the right side, top, and front of a hanger for a door top which forms another embodiment of my new design, the knobs shown in broken lines being for environmental purposes only and forming no part of my design;

FIG. 7 is a top plan view thereof;

FIG. 8 is a front elevational view thereof, this view and the opposite rear elevational view being identical;

FIG. 9 is a right side elevational view thereof, this view and the opposite left side elevational view being identical; and,

FIG. 10 is a bottom plan view thereof.
