(57) **CLAIM**

The ornamental design for a push to talk handheld device with body scallops around buttons, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a new design for a push to talk handheld device with body scallops around buttons.

FIG. 2 is a front plan view thereof;

FIG. 3 is a left elevation view thereof;

FIG. 4 is a right elevation view thereof;

FIG. 5 is a back plan view thereof; and

FIG. 6 is a top elevation view thereof; and,

FIG. 7 is a bottom elevation view thereof.

The broken lines in the drawings depict environmental subject matter only and form no part of the claimed design.
