(57) **CLAIM**

We claim the ornamental design for a display screen of a smart phone with graphic user interface, as shown.

DESCRIPTION

The FIGURE is a front image of a display screen of a smart phone with graphic user interface showing our new design. The broken line perimeter showing the smart phone is provided for the purpose of illustrating environmental structure and forms no part of the claimed design. The broken line that immediately surrounds the graphical user interface illustrates the display screen that forms part of the claimed design.
