(57) **CLAIM**

The ornamental design for a display screen portion with icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a display screen portion with icon according to our new design.

The broken line showings of a portion of a display screen in the figures are environmental only and form no part of the claimed design.

The claimed design can be a display screen portion with icon in an autonomous vehicle.
