(57) **CLAIM**

The ornamental design for a set of indicia for a package for a consumer product, as shown and described.

DESCRIPTION

The sole FIGURE is a front elevational view of a set of indicia for a package for a consumer product.

The dash-dash-dash lines are for the purpose of illustrating environmental structure and form no part of the claimed design. The dash-dot-dash lines define boundaries of the claimed design and form no part of the claimed design. The solid lines depicted in the figures could be any color. Further, the design may be applied to any planar surface of a package for a consumer product.
