(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design. The evenly spaced broken lines in the FIGURE show portions of the display screen or portion thereof with graphical user interface which form no part of the claimed design. The dot dash lines define the boundary of the claimed design and form no part thereof.
