(57) **CLAIM**

The ornamental design for a set of components for a crimpable separable tubing clamp, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a set of components for a crimpable separable tubing clamp showing my new design; FIG. 2 is a perspective view of the inner component set of the crimpable separable tubing clamp showing my new design; FIG. 3 is a front elevation view thereof; FIG. 4 is a left side elevation view thereof; FIG. 5 is a top plan view, with the bottom plan view as mirror image thereof; FIG. 6 is a right side elevation view thereof; FIG. 7 is a rear elevation view thereof; FIG. 8 is a perspective view of the outer component set of the crimpable separable tubing clamp showing my new design; FIG. 9 is a front elevation view thereof; FIG. 10 is a left side elevation view thereof; FIG. 11 is a top plan view, with the bottom plan view as mirror image thereof; FIG. 12 is a right side elevation view thereof; and, FIG. 13 is a rear elevation view thereof.
