(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing a new design. The outermost box in broken lines in the FIGURE illustrates the perimeters of a display screen or portion thereof and forms no part of the claimed design. The broken lines showing of text boxes, text, words, letters, symbols, icons, numbers, images, and lines are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
