(57) **CLAIM**

The ornamental design for a display screen with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with animated graphical user interface showing a first image which is part of a sequence showing our new design; FIG. 2 is a second image thereof; and, FIG. 3 is a third image thereof.

The display screen and portions of the images shown with broken lines are for illustrative purposes only and form no part of the claimed design.

The appearance of the animated images sequentially transition between the images shown in FIGS. 1-3. The process or period in which one image transitions to another, including any intermediate images, forms no part of the claimed design.
