(57) **CLAIM**

I claim the ornamental design for footwear, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of footwear, showing my new design;

FIG. 2 is a right side view thereof; and,

FIG. 3 is a back perspective view thereof.

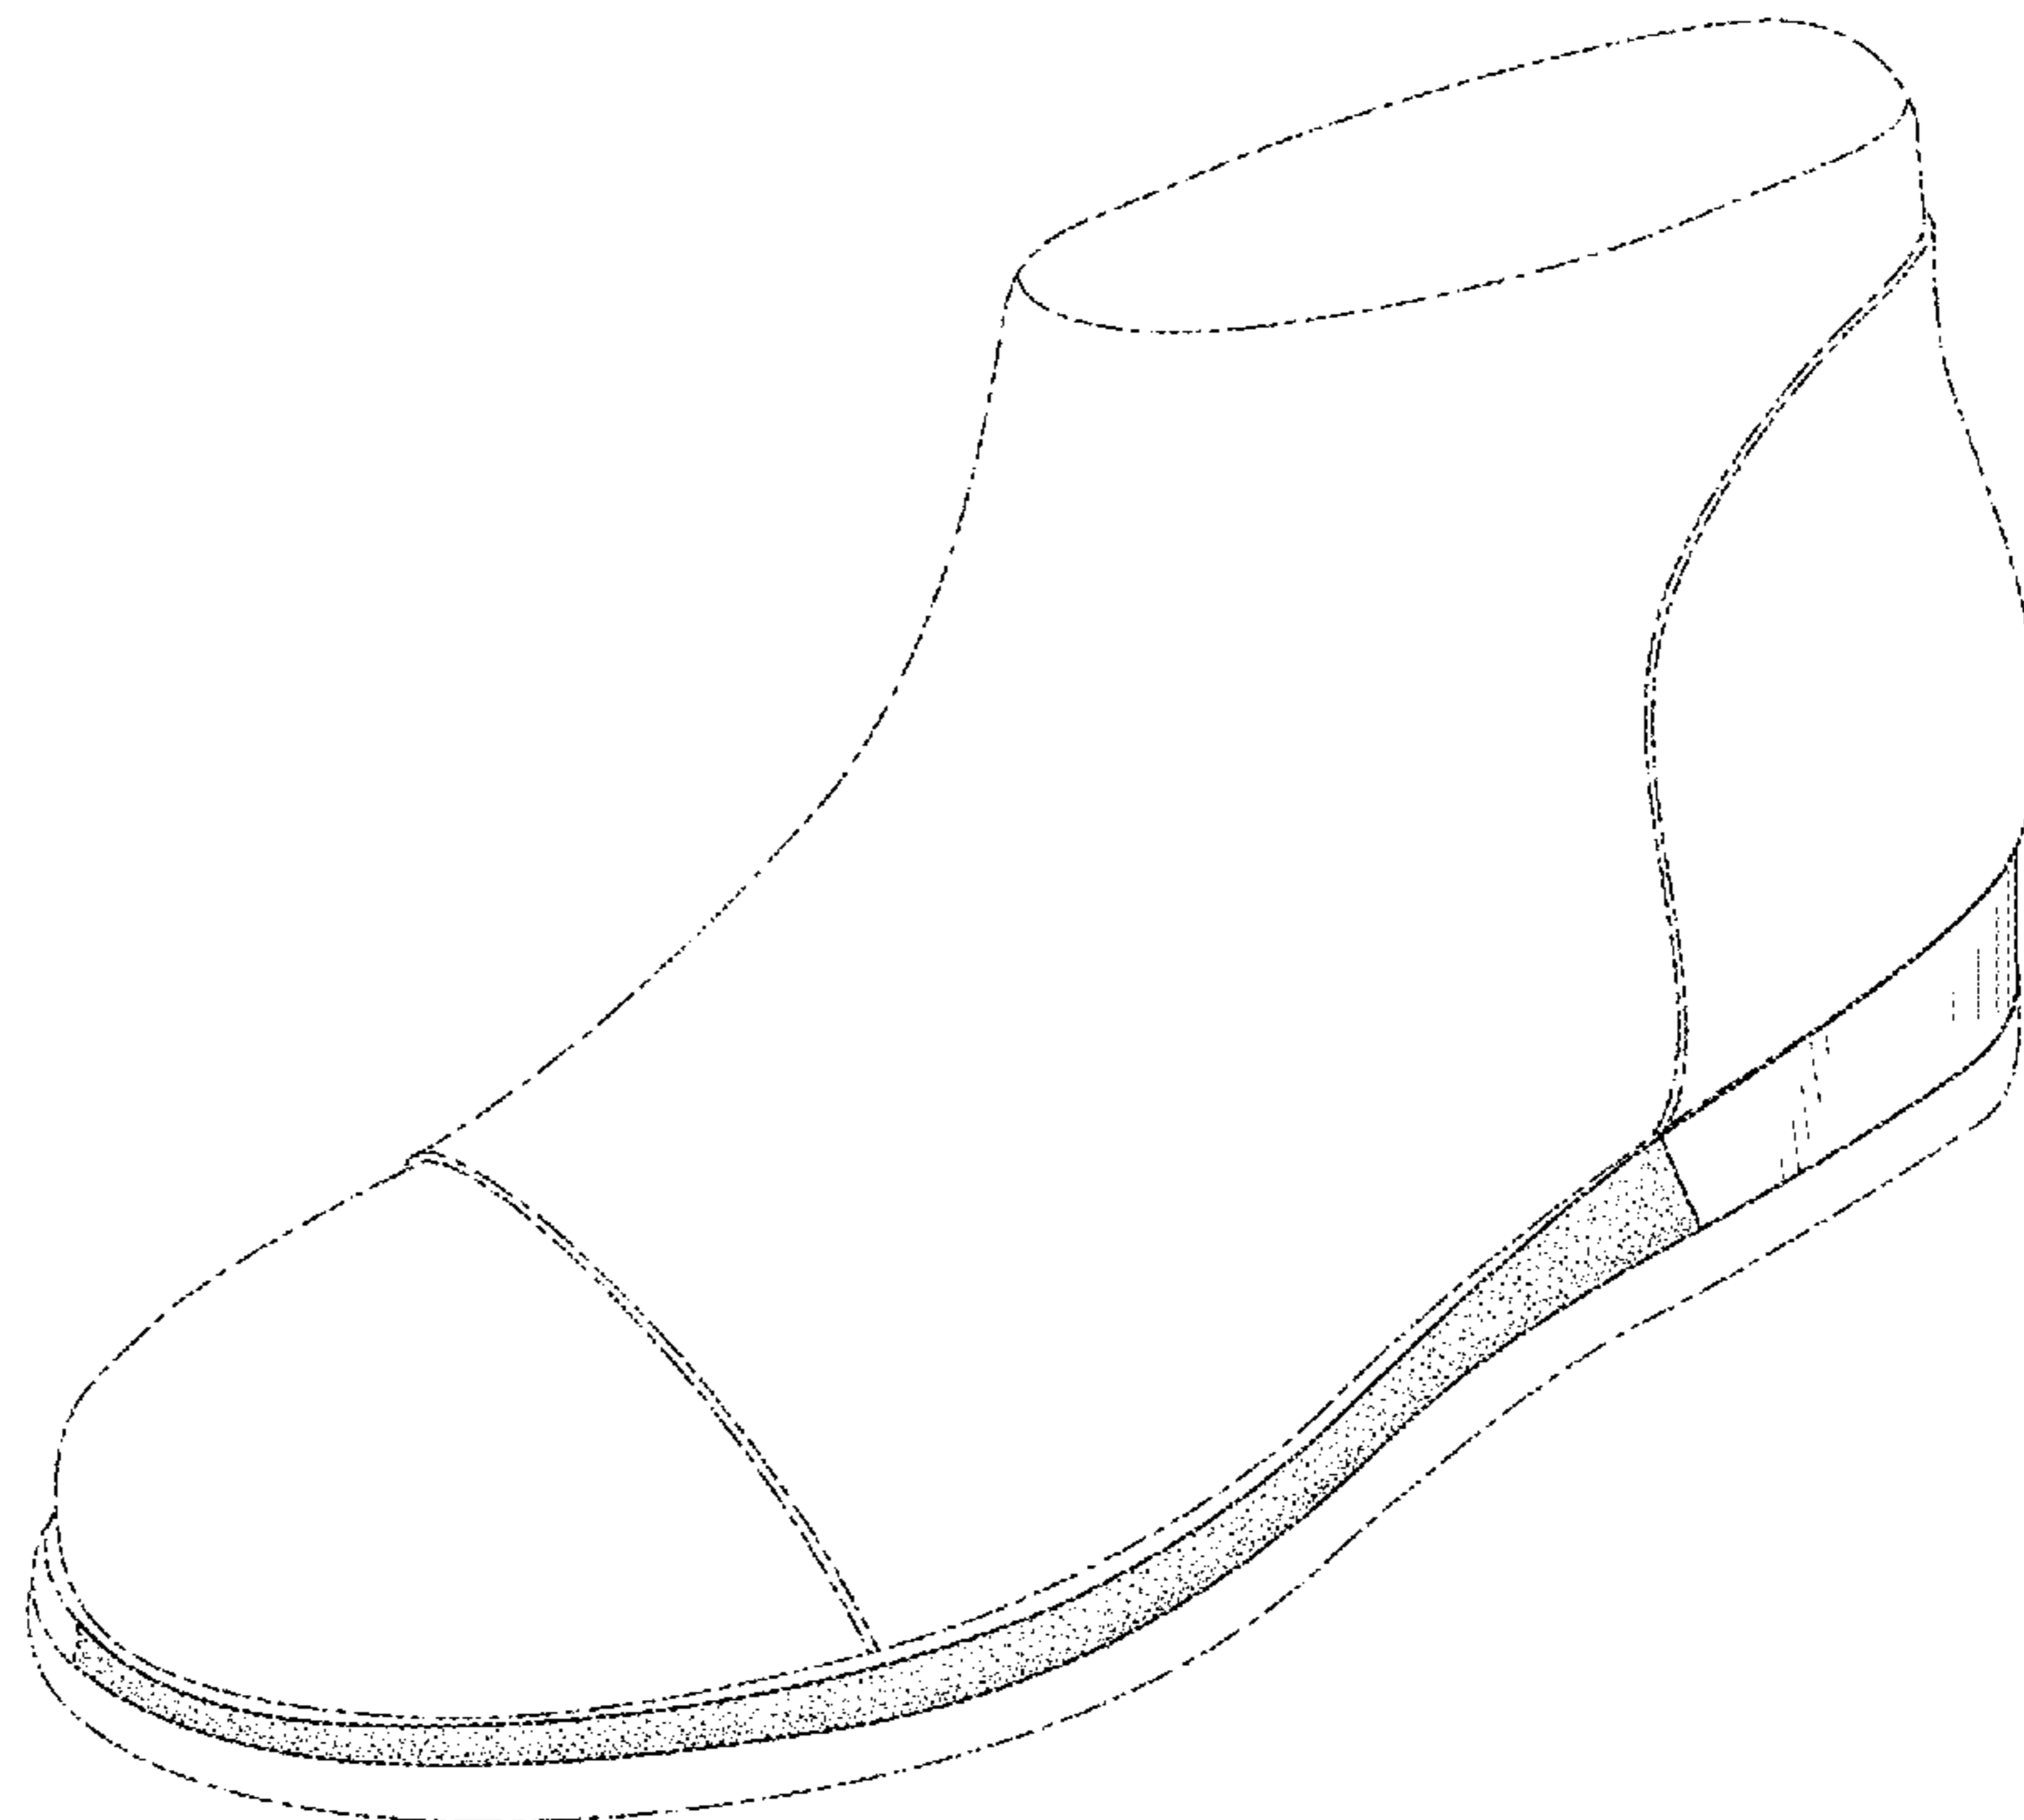

The broken lines are included for illustrating environmental structure and form no part of the claimed design. Further, the broken lines immediately adjacent the shaded areas represent the bounds of the claimed design. The contrast of shading (stippling and line shading) used in the two regions represents a difference in appearance.
