(57) **CLAIM**

I claim the ornamental design of a drive pulley, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a drive pulley of the present design

FIG. 2 is a front view of the embodiment of FIG. 1;

FIG. 3 is a rear view of the embodiment of FIG. 1;

FIG. 4 is a right side view of the embodiment of FIG. 1;

FIG. 5 is a left side view of the embodiment of FIG. 1;

FIG. 6 is a top view of the embodiment of FIG. 1; and,

FIG. 7 is a bottom view of the embodiment of FIG. 1.

The drive pulley design is shown with broken lines (i.e., dash-dash-dash lines) for illustrative purposes only. The broken lines form no part of the claimed design. Instead, the broken lines depict structure that is not part of the claimed design, yet are considered necessary or useful to show an environment in which the design is used.

1 Claim, 4 Drawing Sheets
