(57) **CLAIM**

The ornamental design for a display screen with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with animated graphical user interface showing a first image which is part of a sequence showing our new design;

FIG. 2 is a second image thereof; and,

FIG. 3 is a third image thereof.

The broken line showing of the display screen is for the purpose of illustrating environment and forms no part of the claimed design. The broken line showing of elements on the display screen illustrate portions of the article and form no part of the claimed design.

The appearance of the animated images sequentially transition between the images shown in FIGS. 1-3. The process or period in which one image transitions to another, including any intermediate images, forms no part of the claimed design.
