(74) *Attorney, Agent, or Firm* — Byrne Poh LLP

(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface in accordance with the present invention.

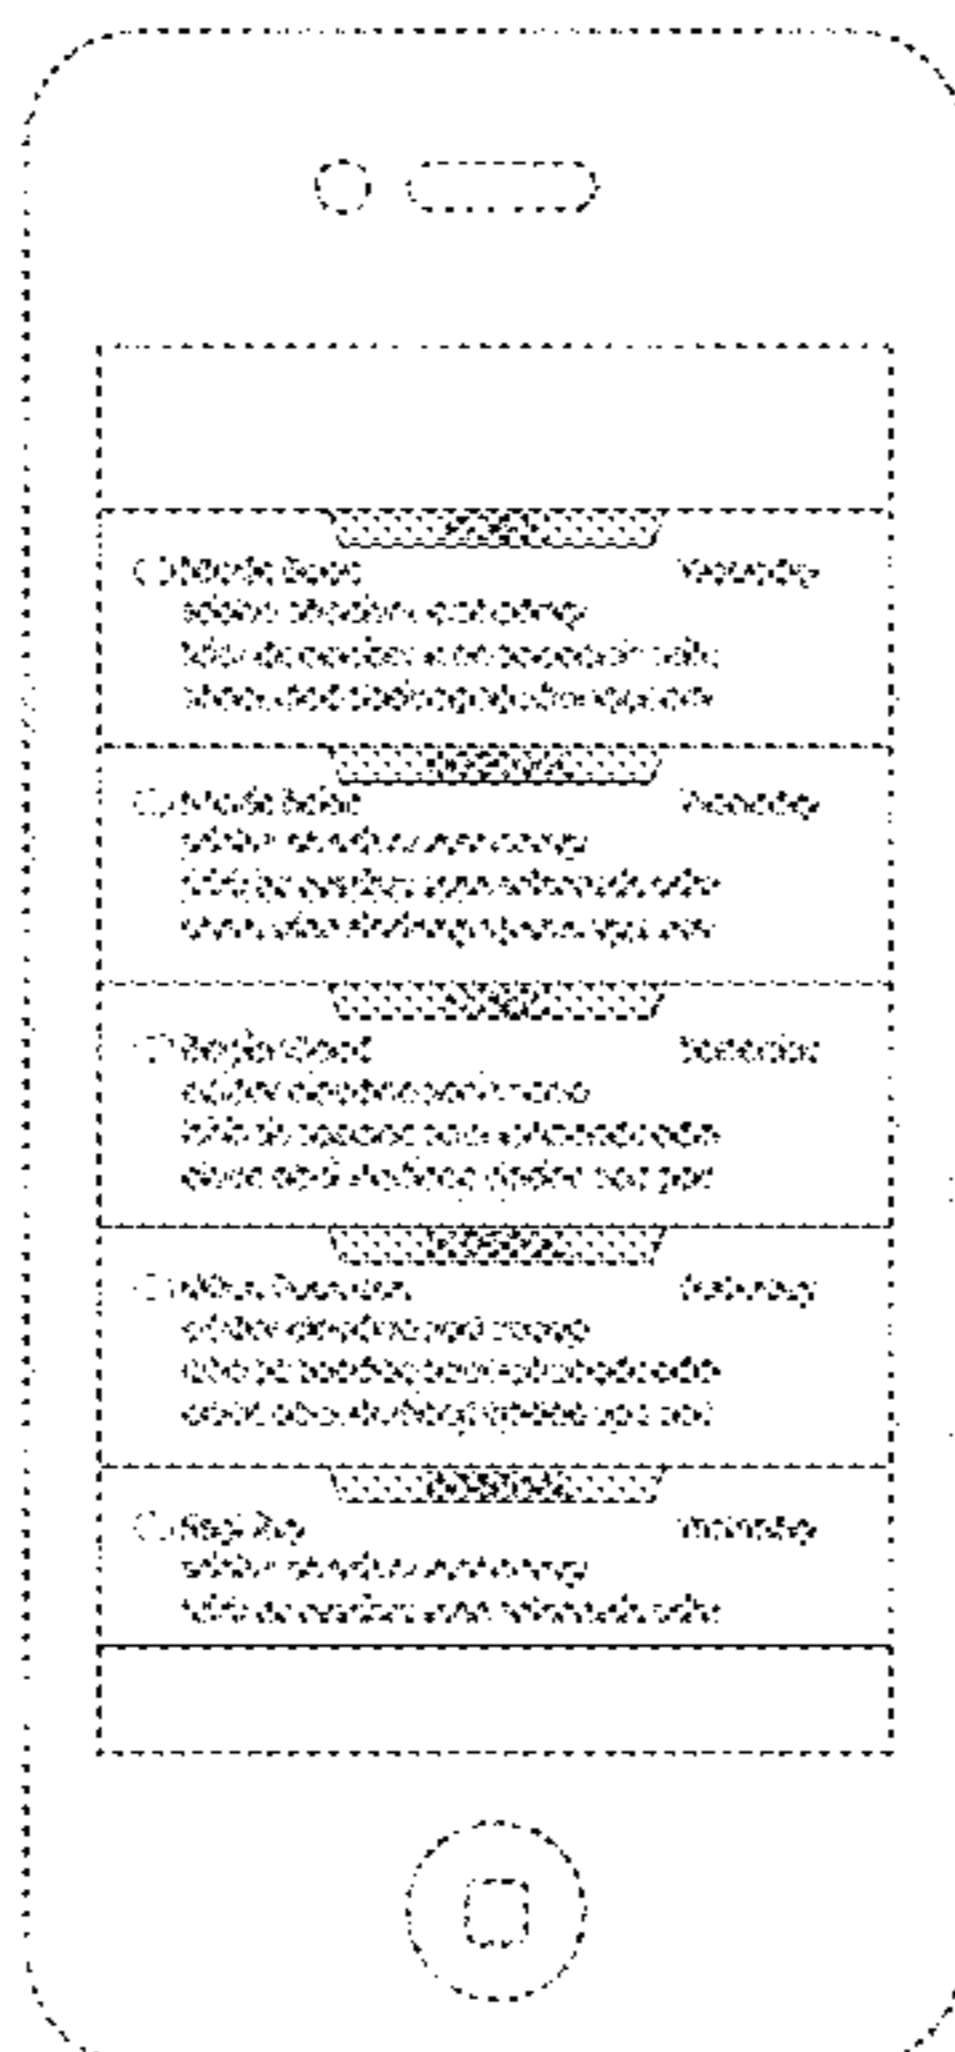

FIG. 2 is a front view of a second embodiment of the display screen with graphical user interface in FIG. 1 in accordance with the present invention.

FIG. 3 is a front view of a third embodiment of the display screen with graphical user interface in FIG. 1 in accordance with the present invention; and,

FIG. 4 is a front view of a fourth embodiment of the display screen with graphical user interface in FIG. 1 in accordance with the present invention.

The broken line showing of an Electronic Device illustrates the environment of the display screen with graphical user interface, and the broken line showing of all text illustrates portions of the display screen with graphical user interface. None of the broken lines form part of the claimed design.

1 Claim, 4 Drawing Sheets
