(57) **CLAIM**

The ornamental design for an electronic cigarette, as shown
and described.

DESCRIPTION

FIG. 1 is a front view of an electronic cigarette according to a
first design of the present application;
FIG. 2 is a rear view of the electronic cigarette according to
the first design of the present application;
FIG. 3 is a left view of the electronic cigarette according to the
first design of the present application;
FIG. 4 is a right view of the electronic cigarette according to
the first design of the present application;
FIG. 5 is a top view of the electronic cigarette according to the
first design of the present application;
FIG. 6 is a bottom view of the electronic cigarette according
to the first design of the present application;
FIG. 7 is a perspective view of the electronic cigarette accord-
ing to the first design of the present application;
FIG. 8 is a front view of an electronic cigarette according to a
second design of the present application;
FIG. 9 is a rear view of the electronic cigarette according to
the second design of the present application;
FIG. 10 is a left view of the electronic cigarette according to
the second design of the present application;
FIG. 11 is a right view of the electronic cigarette according to
the second design of the present application;
FIG. 12 is a top view of the electronic cigarette according to
the second design of the present application;
FIG. 13 is a bottom view of the electronic cigarette according
to the second design of the present application; and,
FIG. 14 is a perspective view of the electronic cigarette
according to the second design of the present application.
The broken lines shown in the drawings are included for the
purpose of illustrating environmental structure and form no
part of the claimed design.

1 Claim, 14 Drawing Sheets
