(57) **CLAIM**

The ornamental design for a shooting target support stand, as shown and described.

DESCRIPTION

FIG. 1 Front elevation view of the shooting target support stand thereof.
 FIG. 2 Back elevation view of the shooting target support stand thereof.
 FIG. 3 Left elevation view of the shooting target support stand thereof.
 FIG. 4 Right elevation view of the shooting target support stand thereof.
 FIG. 5 Top plan view of the shooting target support stand thereof.
 FIG. 6 Bottom plan view of the shooting target support stand thereof.
 FIG. 7 Front left perspective view of the shooting target support stand thereof; and,
 FIG. 8 Back left perspective view of the shooting target support stand thereof.
 The target disk and support chains shown in broken lines for illustrative purposes only and forms no part of the claimed design.
 A portable shooting target support stand for long range fire-arm practice, easily setup for use without tools.
