(57) **CLAIM**

The ornamental design for a bottle, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a bottle;
 FIG. 2 is a front view of the bottle shown in FIG. 1, with the rear and side views being identical; and,
 FIG. 3 is a top view of the bottle shown in FIG. 1.
 The broken lines in the drawings showing the bottle pour spout and the bottom surface of the bottle illustrate the portions of the bottle that form no part of the claim. The claim extends to the bottom edge of the bottle sidewall. None of the bottom surface is included in the claimed design. The repeating undulating lines applied to the top portion of the bottle are intended to represent contrasting appearance.
