(57) **CLAIM**

We claim the ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface in a first embodiment showing the new design;

FIG. 2 is a front view of a display screen with graphical user interface in a second embodiment:

FIG. 3 is a front view of a display screen with graphical user interface in a third embodiment;

FIG. 4 is a front view of a display screen with graphical user interface in a fourth embodiment;

FIG. 5 is a front view of a display screen with graphical user interface in a fifth embodiment; and,

FIG. 6 is a front view of a display screen with graphical user interface in a sixth embodiment.

The broken lines shown in the drawings represent portions of the display screen with graphical user interface that form no part of the claimed design.
