(57) **CLAIM**

The ornamental design for an upper for an article of footwear,
as shown and described.

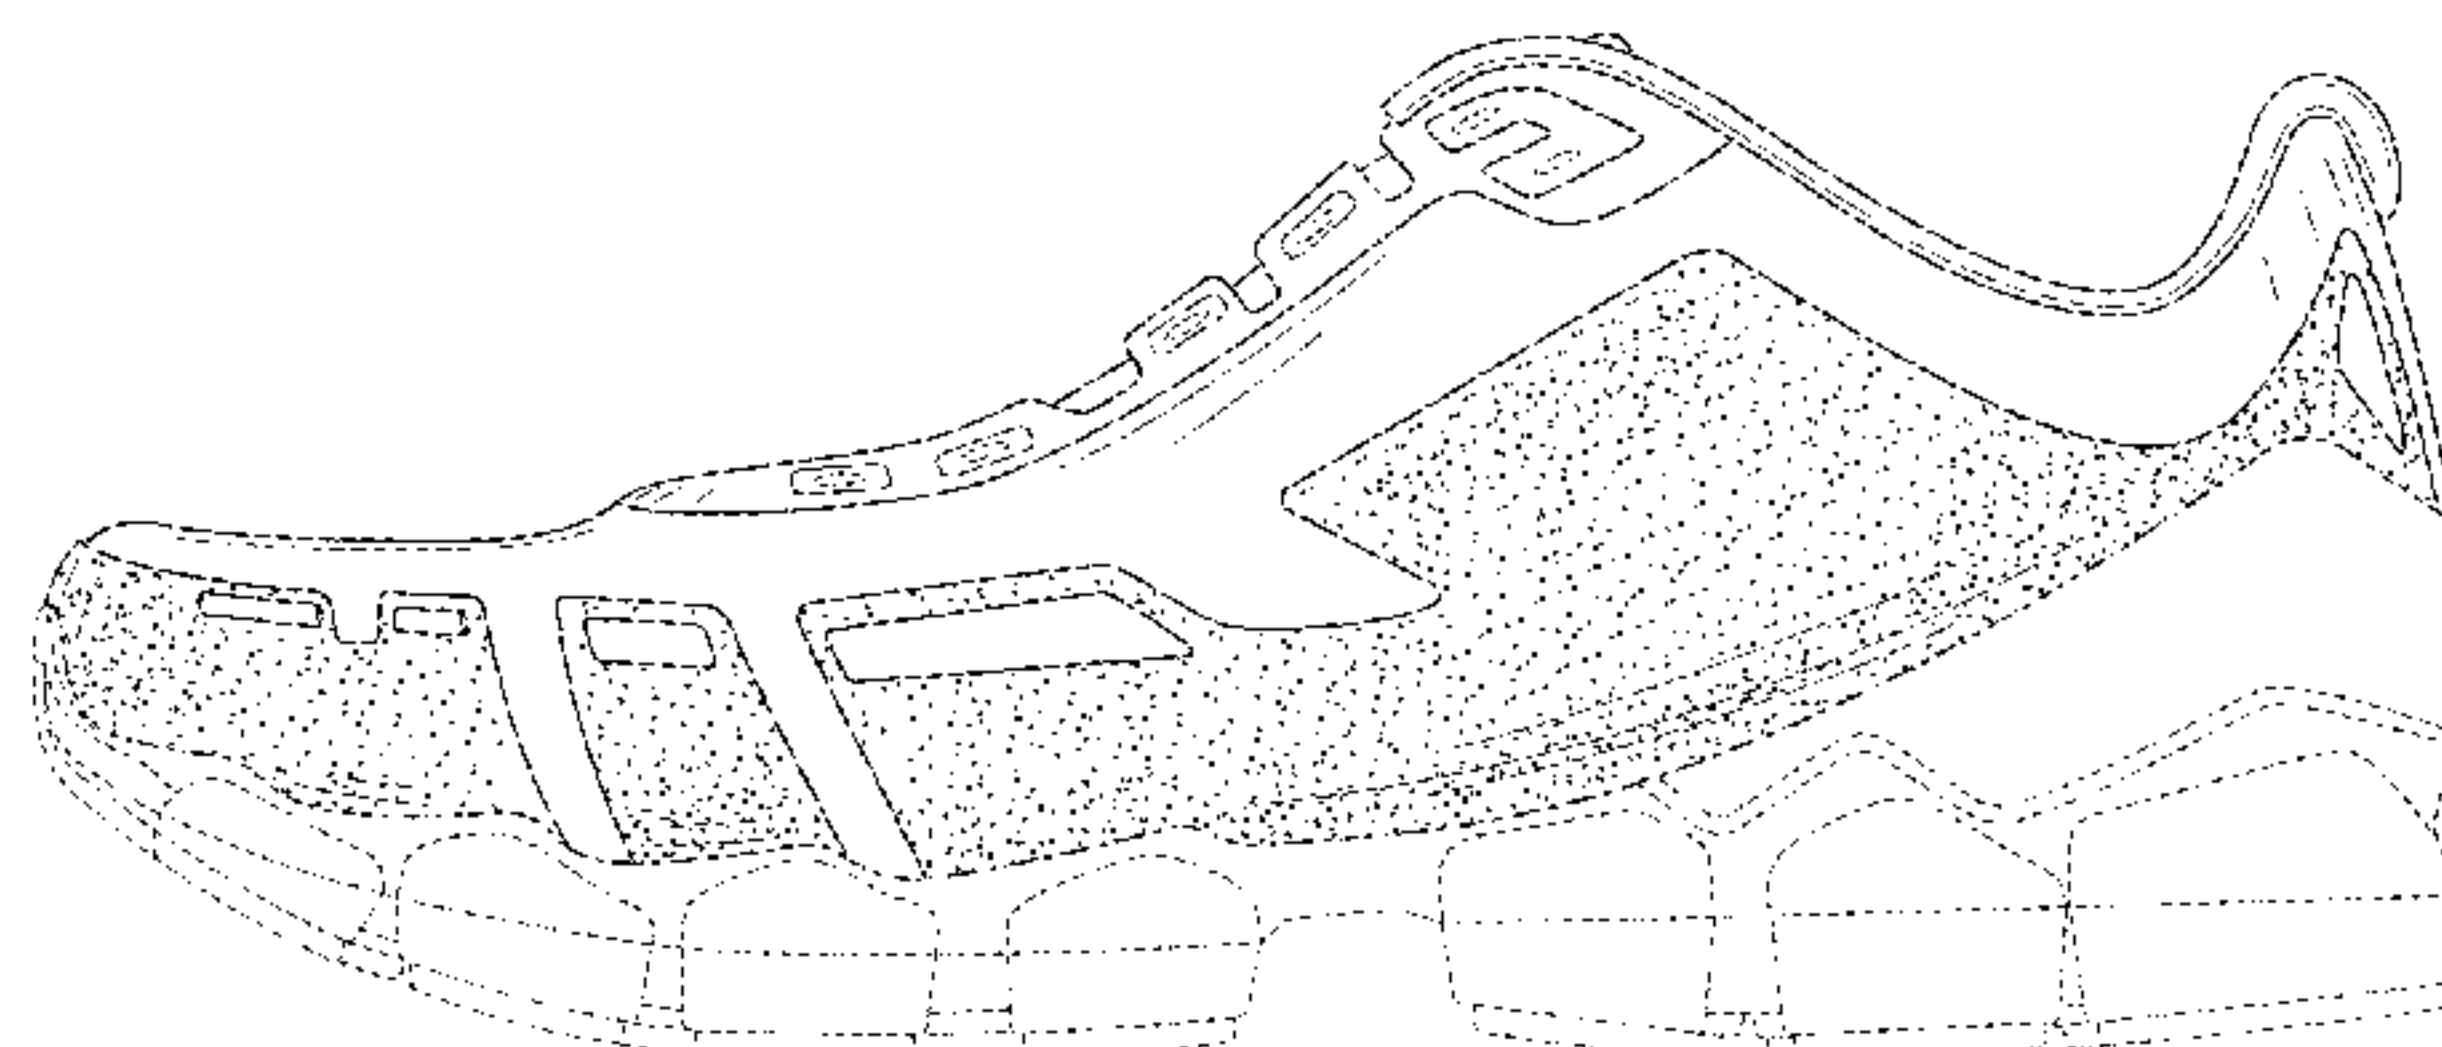

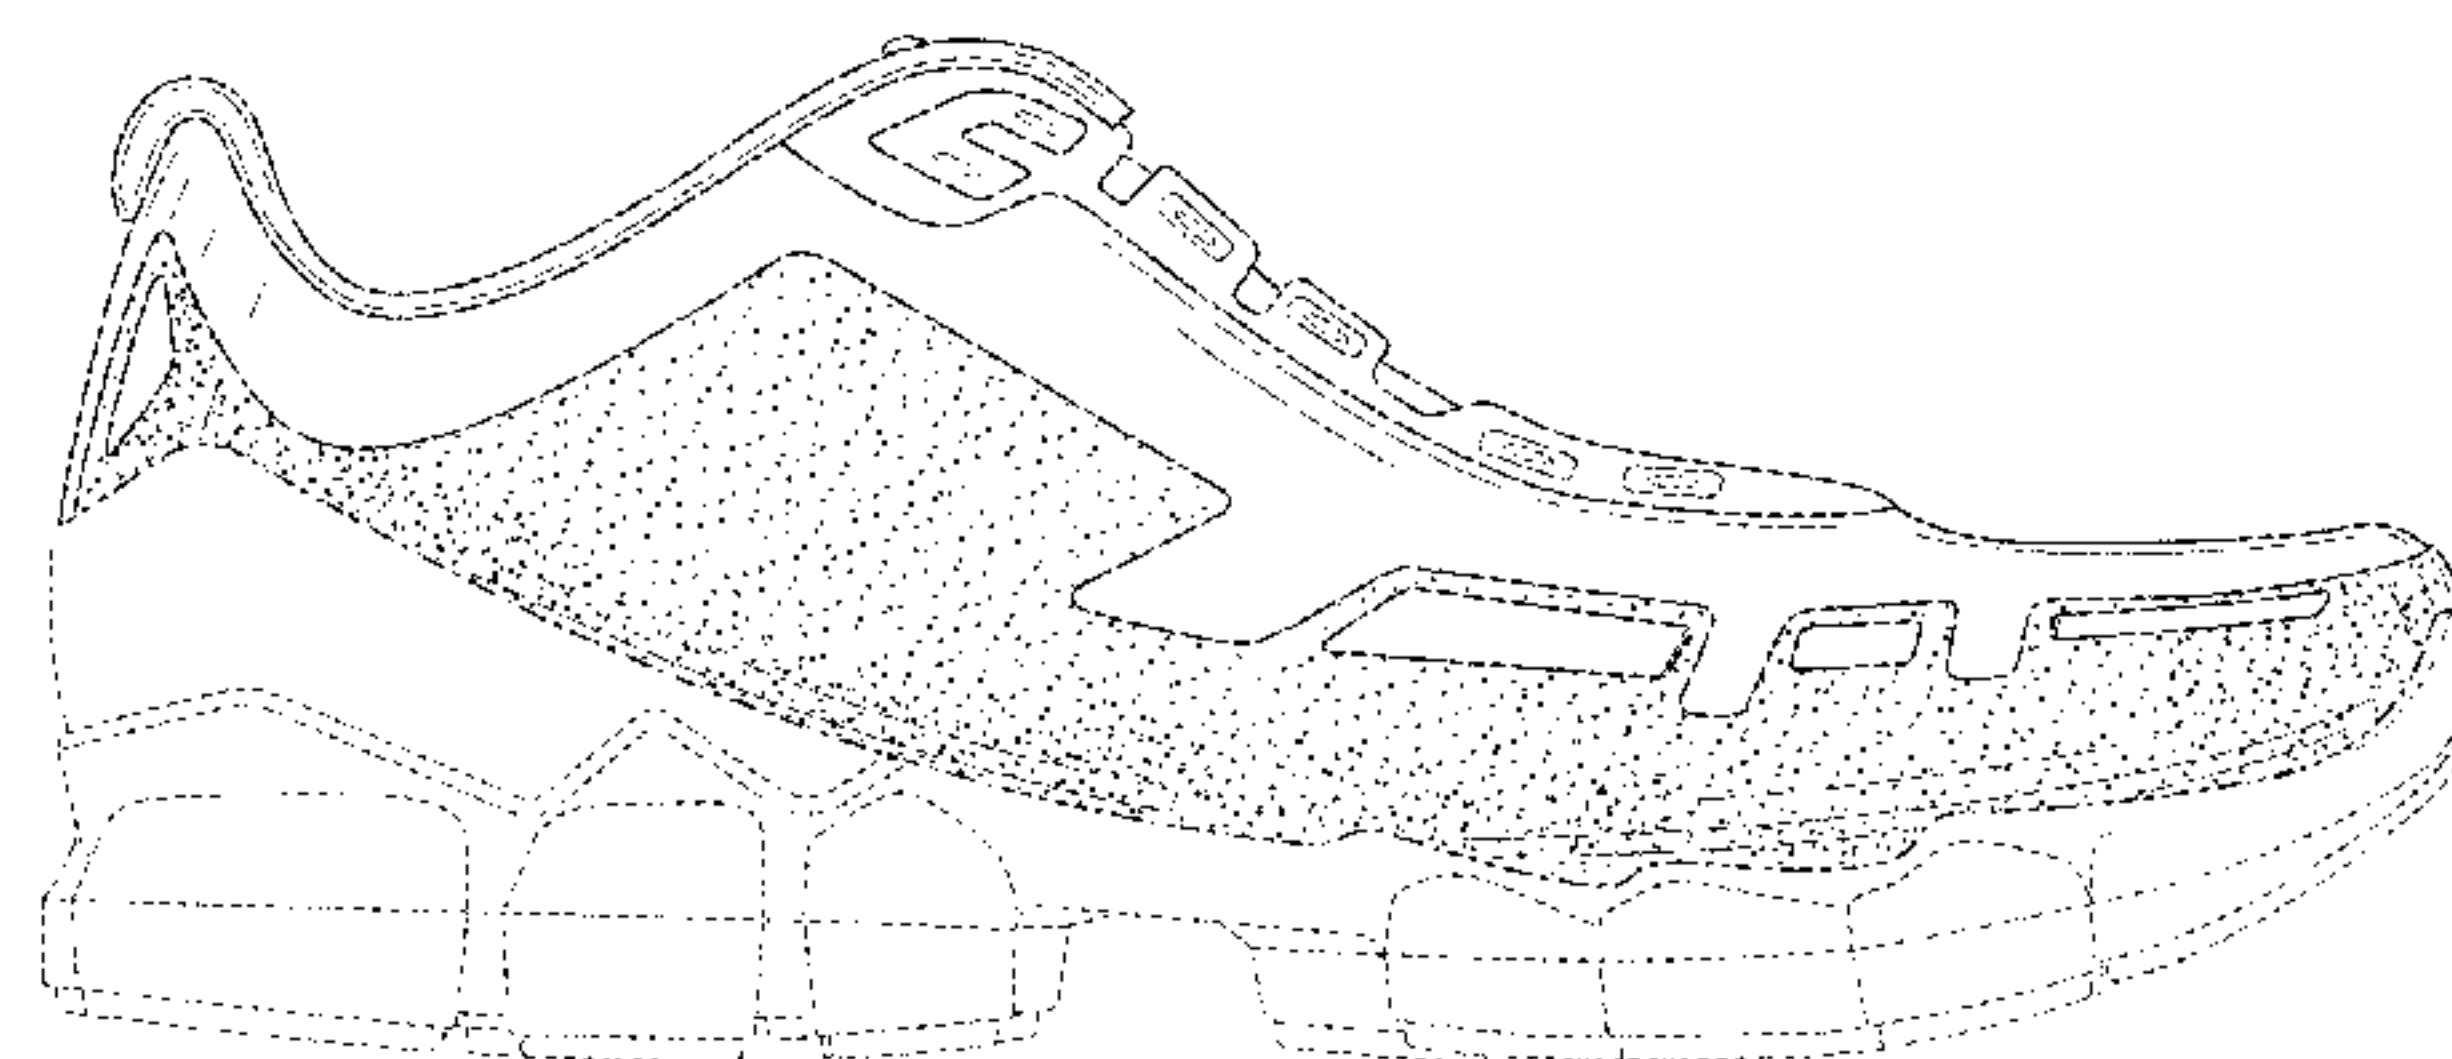

DESCRIPTION

FIG. 1 is a perspective view of an upper for an article of footwear showing my new design;
FIG. 2 is a left side view in elevation thereof, showing the medial side of the upper;
FIG. 3 is a right side view in elevation thereof, showing the lateral side of the upper;
FIG. 4 is a top plan view thereof;
FIG. 5 is a bottom plan view thereof;
FIG. 6 is a front view in elevation thereof; and,
FIG. 7 is a rear view in elevation thereof.

The broken line illustration of environmental structure in the drawings is not part of the claimed design. The dot-dash lines, which define the bounds of the claimed design, form no part thereof.

The drawings include an article of footwear for the left foot. The drawings for the right foot would be a mirror image of its corresponding left foot view. Accordingly, these drawings have been omitted.
