(57) **CLAIM**

The ornamental design for a portion of a cockpit center console, as shown and described.

DESCRIPTION

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a front perspective view of a portion of a cockpit center console showing our new design; FIG. 2 is a front view thereof, the back view forming no part of the claimed design; FIG. 3 is a top view thereof, the bottom view forming no part of the claimed design; FIG. 4 is a first side view thereof; and, FIG. 5 is a second side view thereof. In the drawings, the broken lines in the figures depict portions of the article that form no part of the claimed design.
