(57) **CLAIM**

I claim the ornamental design for a smart phone case with camera block sliders, as shown and described.

DESCRIPTION

FIG. 1 is a front, bottom, left perspective view of the smart phone case with an environmental smart phone shown in broken lines within the case.

FIG. 2 is a rear, top, left perspective view of the smart phone case with an environmental smart phone shown in broken lines within the case.

FIG. 3 is a front elevation view of the smart phone case with an environmental smart phone shown in broken lines within the case.

FIG. 4 is a rear elevation view of the smart phone case with an environmental smart phone shown in broken lines within the case.

FIG. 5 is a left elevation view of the smart phone case with an environmental smart phone shown in broken lines within the case.

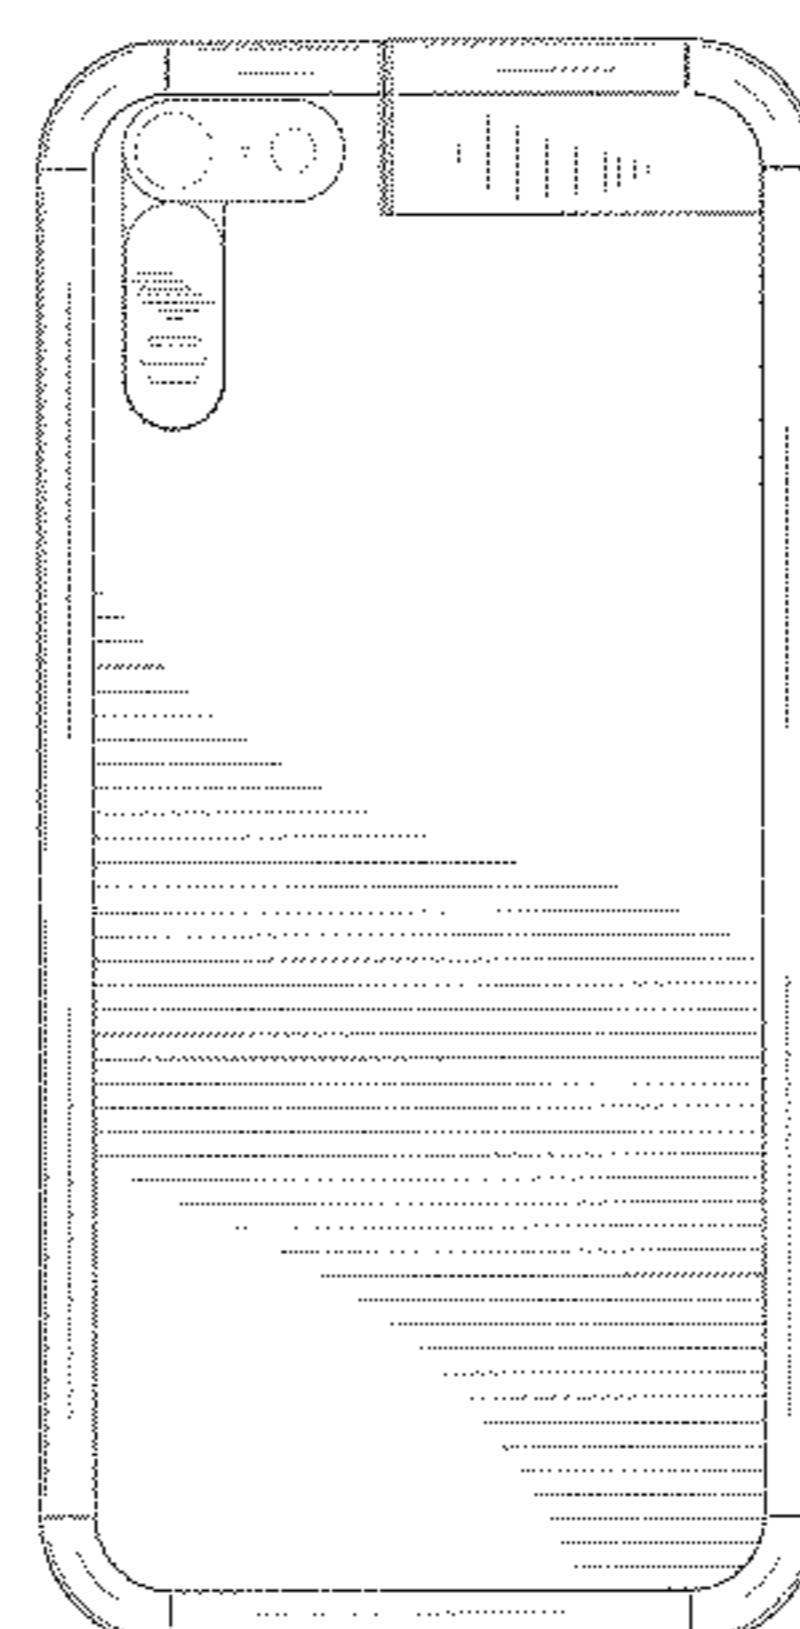

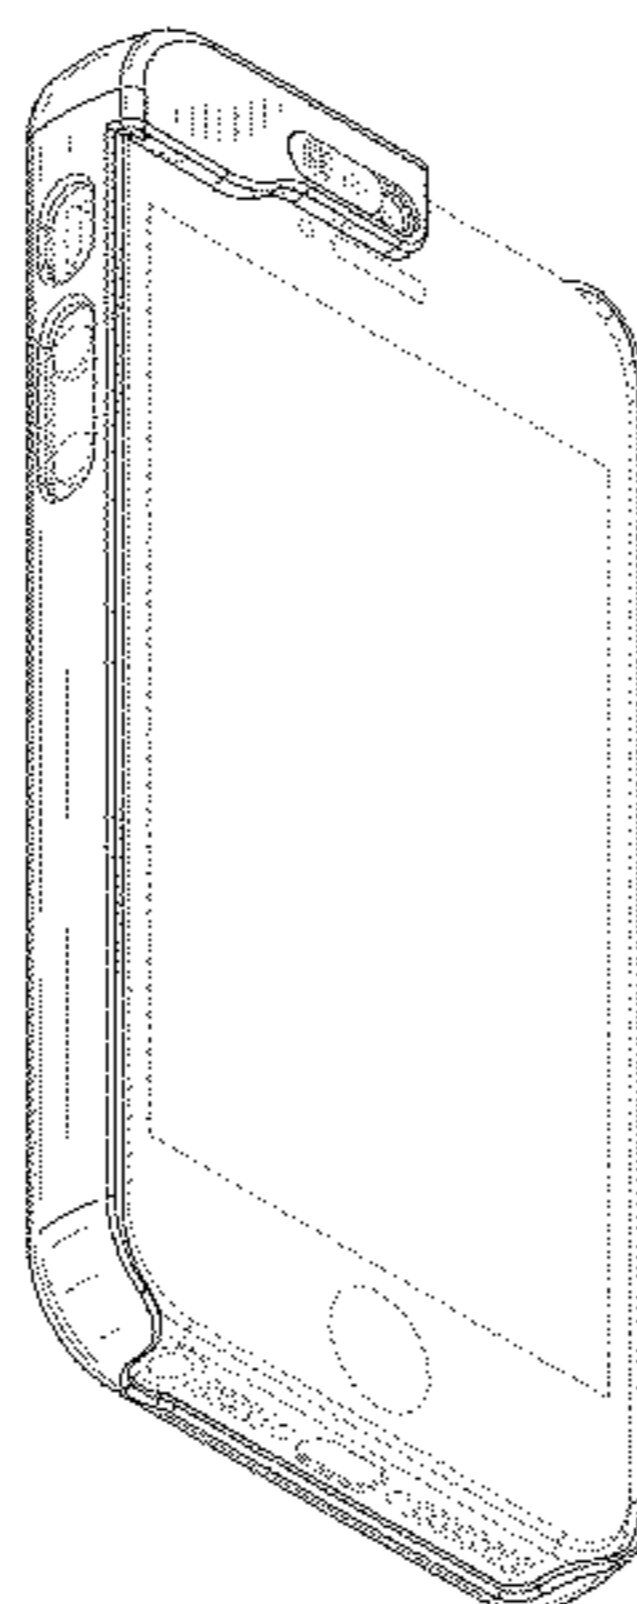

FIG. 6 is a right elevation view of the smart phone case with an environmental smart phone shown in broken lines within the case.

FIG. 7 is a bottom plan view of the smart phone case with an environmental smart phone shown in broken lines within the case; and,

FIG. 8 is a top plan view of the smart phone case with an environmental smart phone shown in broken lines within the case.

The broken lines depict an environmental smart phone that forms no part of the claimed design.
