DESCRIPTION

FIG. 1 is a top plan view of a transparent gear box cover plate with marking of my new design;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is a long side plan view thereof, it being understood that the opposite side not shown is a substantial mirror image thereof;
FIG. 4 is a short side plan view thereof, it being understood that the opposite side not shown is a substantial mirror image thereof; and,
FIG. 5 is a perspective view thereof.
The broken line showing of environmental structure in the drawings is for illustrative purposes only and forms no part of the claimed design. The cross-hatched portions in the drawings are not required to be transparent.
