(57) **CLAIM**

We claim the ornamental design for an absorbent article with a printed design, as shown and described.

DESCRIPTION

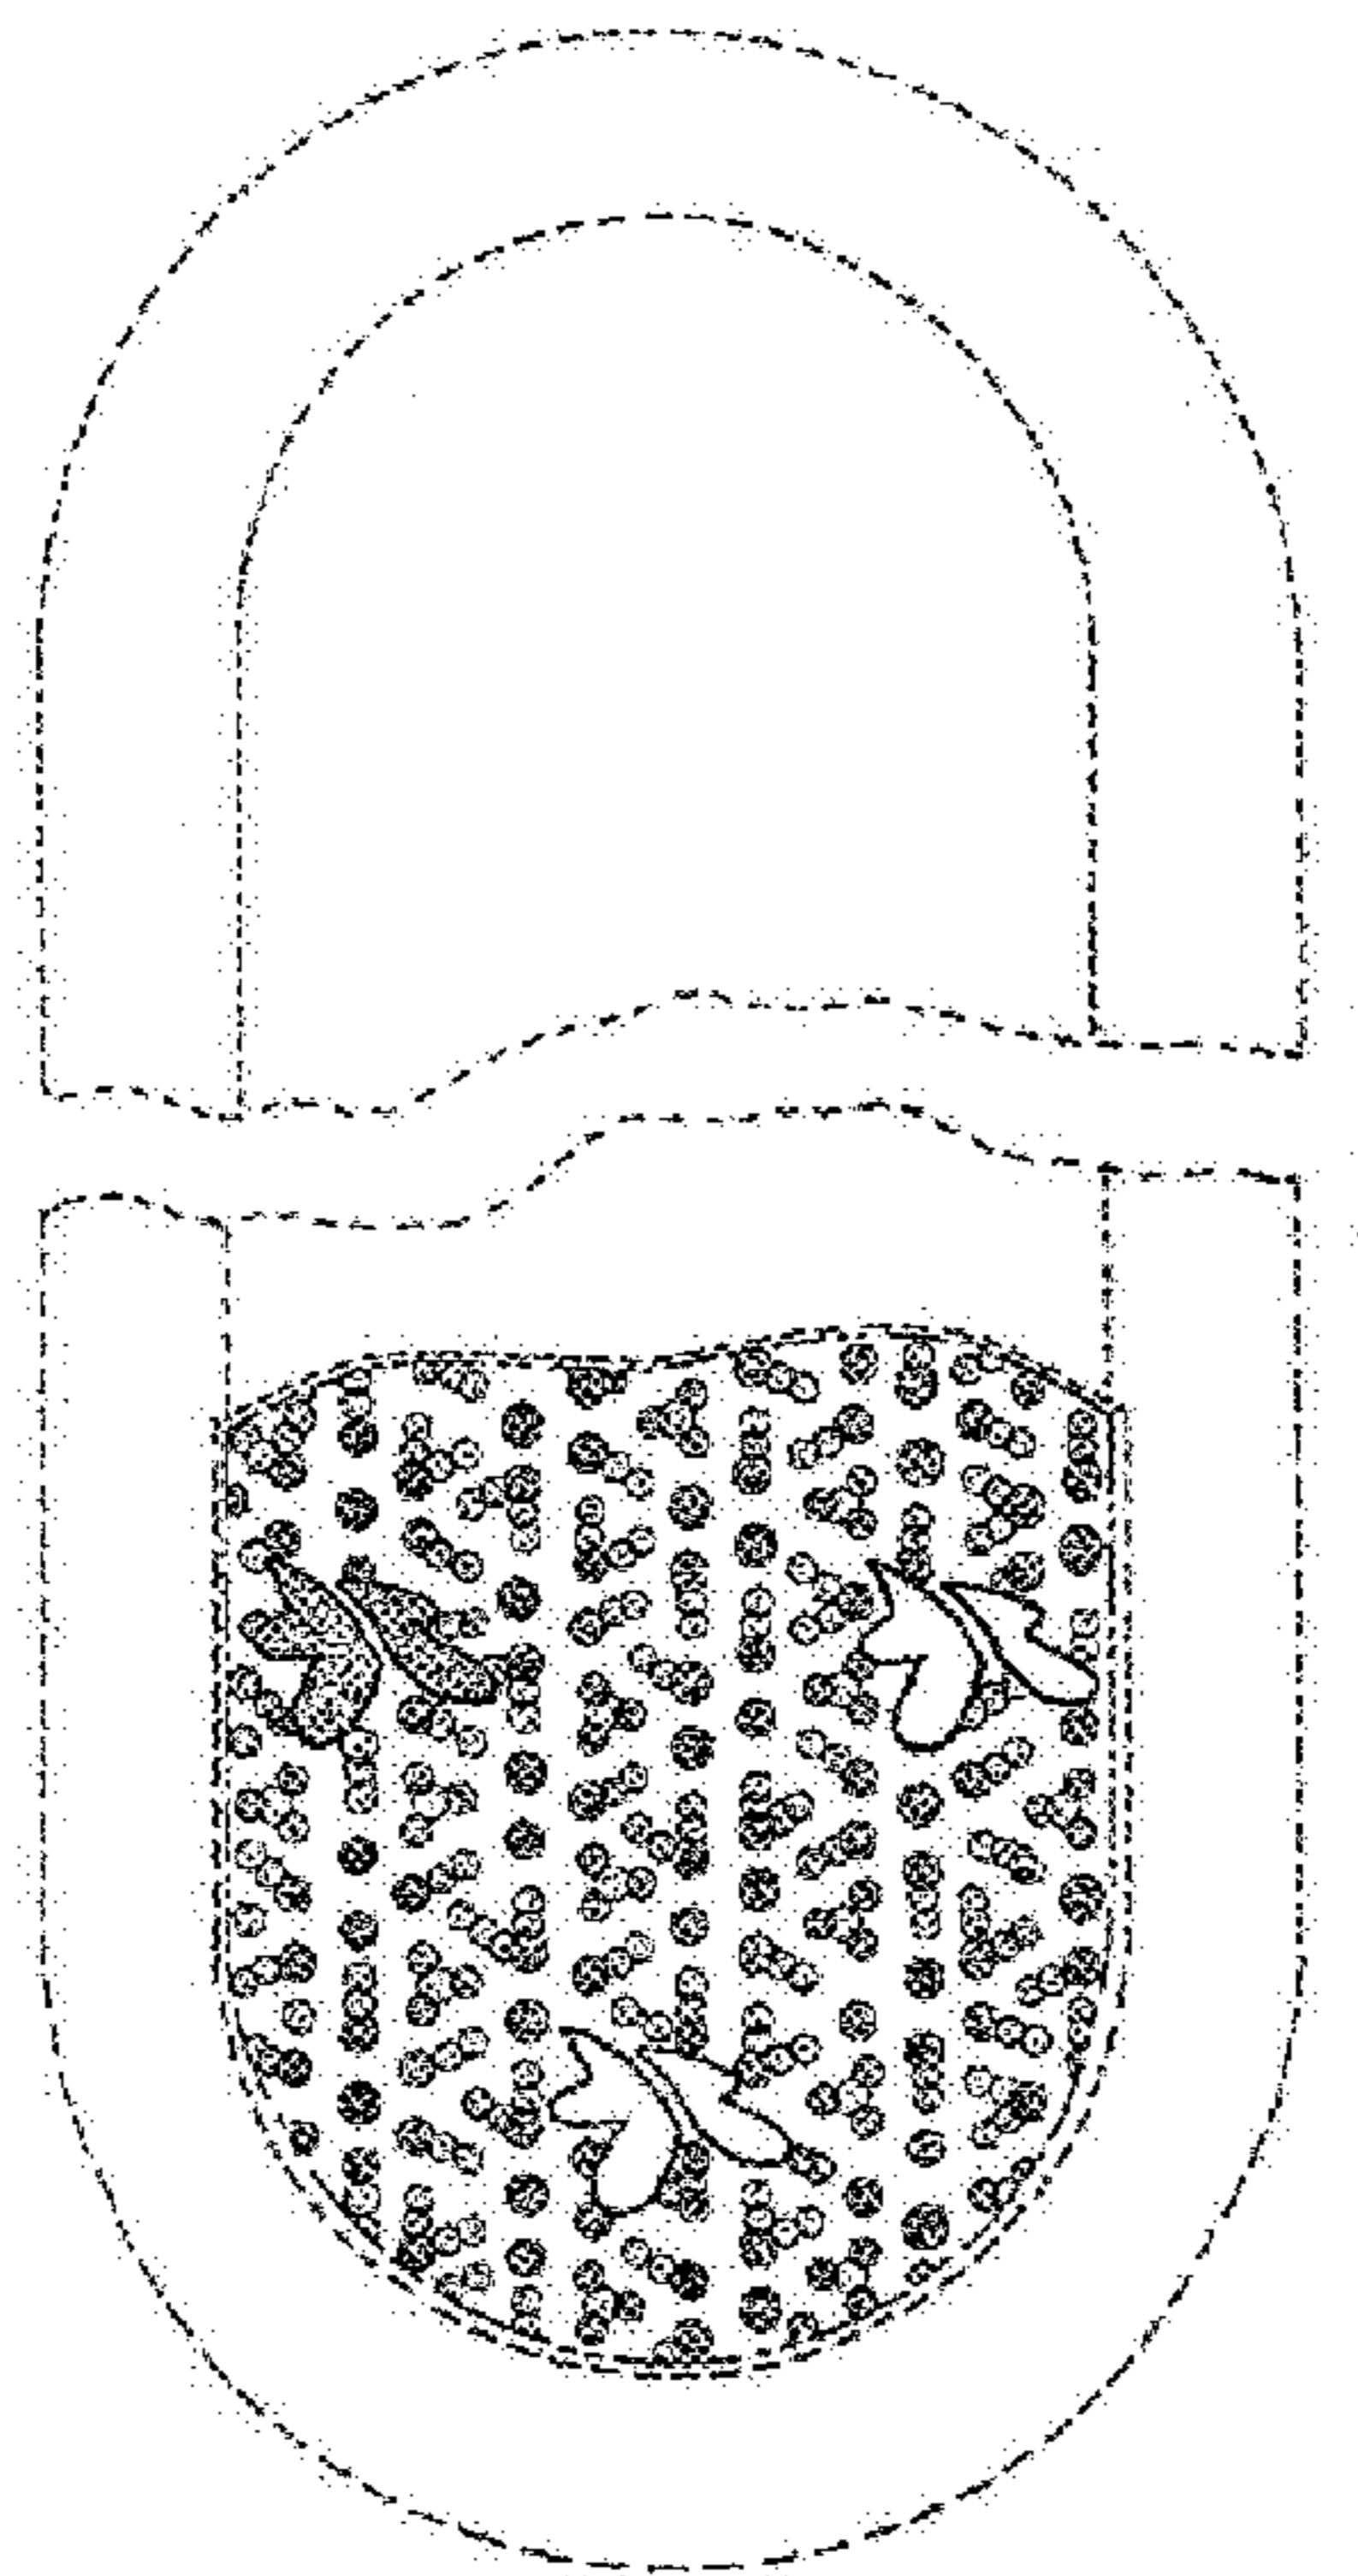

FIG. 1 is a top plan view of a first embodiment of the absorbent article with a printed design showing my new design; and,

FIG. 2 is a top plan view of a second embodiment of the absorbent article with a printed design showing my new design.

The phantom features are included for the purpose of illustrating portions of the absorbent article with a printed design that are environmental or illustrative and that form no part of the claimed design.

The absorbent article with a printed design is a flat sheet in a single plane.
