(57) **CLAIM**

The ornamental design for a portion of a display screen with transitional icon, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the first image in the sequence for a portion of a display screen with transitional icon showing the new design;
FIG. 2 is a front view of the second image thereof;
FIG. 3 is a front view of the third image thereof;
FIG. 4 is a front view of the fourth image thereof;
FIG. 5 is a front view of the fifth image thereof;
FIG. 6 is a front view of the sixth image thereof; and,
FIG. 7 is a front view of the seventh image thereof.
The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-7. The process or period in which one image transitions to another forms no part of the claimed design.
The one-dot chain line showing of portions of a display screen is for the purpose of illustrating environmental structure and forms no part of the claimed design.

1 Claim, 3 Drawing Sheets
