(57) **CLAIM**

The ornamental design for a ventilating bag with safety valve, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from the top of a ventilating bag with safety valve showing our new design.

FIG. 2 is a perspective view from the bottom of the ventilating bag with safety valve.

FIG. 3 is an elevational view of a front side of the ventilating bag with safety valve, the back side view being a mirror image thereof.

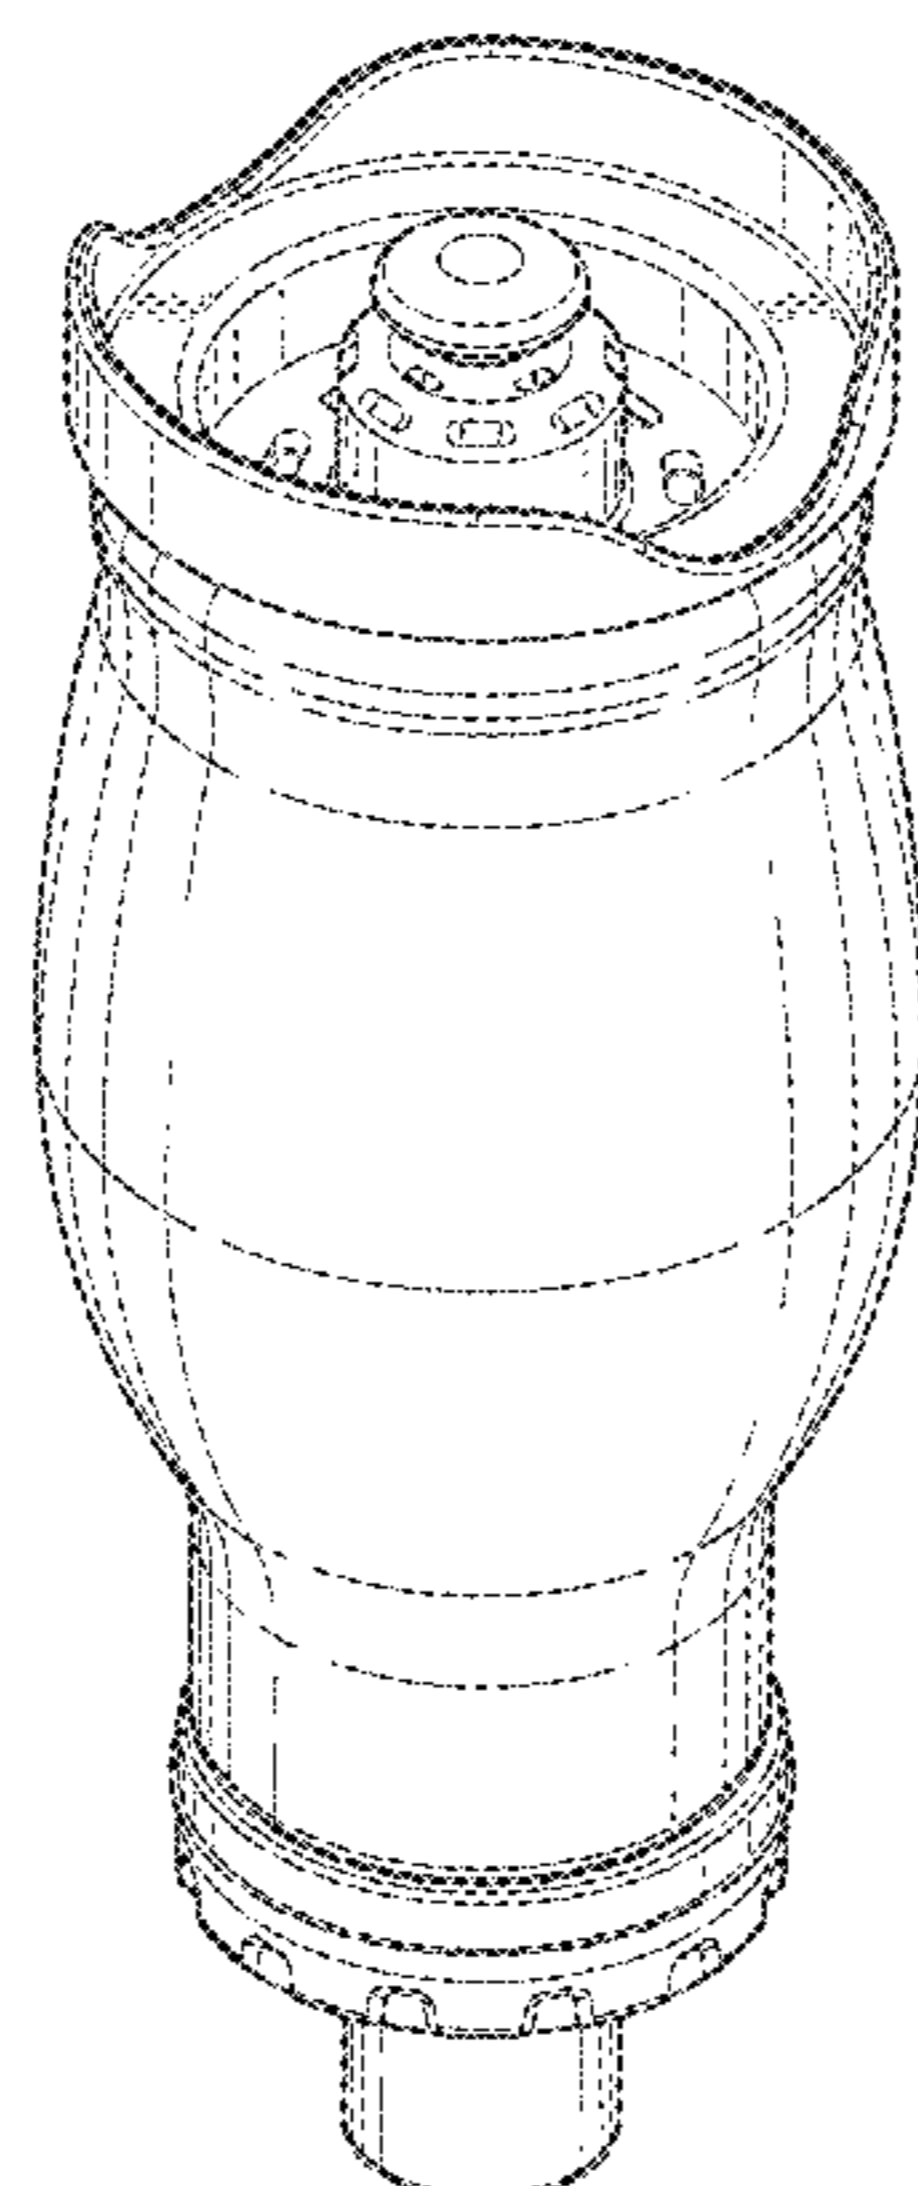

FIG. 4 is an elevational view of a right side of the ventilating bag with safety valve, the left side view being a mirror image thereof.

FIG. 5 is a plan view of a top end of the ventilating bag with safety valve; and,

FIG. 6 is a plan view of a bottom end of the ventilating bag with safety valve.

The dash-dot-dash broken lines represent the boundaries of the claim design and form no part thereof.

1 Claim, 5 Drawing Sheets
