(57) **CLAIM**
The ornamental design for a portable electronic terminal with graphical user interface, as shown and described.

DESCRIPTION

The drawing is a front elevational view of the portable electronic terminal with graphical user interface.
The broken line showing of a portable electronic terminal is included for the purpose of illustrating portions of an exemplary article upon which the graphical user interface can be provided. The broken lines form no part of the claimed design.

1 Claim, 1 Drawing Sheet
