(57) **CLAIM**

I claim the ornamental design for a financial transaction card, as shown and described.

DESCRIPTION

The design patent or application file contains at least one photograph executed in color. Copies of this patent or patent application publication with color photographs(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. **1** is a front view of a first embodiment of a financial transaction card showing my new design;

FIG. **2** is a rear view thereof;

FIG. **3** is a front view of a second embodiment of a financial transaction card;

FIG. **4** is a rear view thereof;

FIG. **5** is a front view of a third embodiment of a financial transaction card;

FIG. **6** is a rear view thereof;

FIG. **7** is a front view of a fourth embodiment of a financial transaction card;

FIG. **8** is a rear view thereof;

FIG. **9** is a front view of a fifth embodiment of a financial transaction card;

FIG. **10** is a rear view thereof;

FIG. **11** is a front view of a sixth embodiment of a financial transaction card; and,

FIG. **12** is a rear view thereof.

The broken line showing of portions of the financial transaction card is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

The characteristic feature of the claimed design resides in the financial transaction card resembling a portion of a vinyl record.

The transaction is interpreted to be flat with an applied design and has no appreciable thickness.
