See application file for complete search history.

FIG. 1 is a top plan view of the artificial fishing lure with alternating ridged claws showing the new design;  
FIG. 2 is a bottom plan view thereof;  
FIG. 3 is a partial enlarged top plan view of the head and claws, with the left claw shown in a raised position;  
FIG. 4 is a partial enlarged top plan view showing the appendages in further detail; and,  
FIG. 5. is a front elevation view.

The Figures show a new design of an artificial fishing lure with alternating ridged claws, including the alternating raised ridges found on the opposing sides of the claws of the lure, in the shape.
