(57) **CLAIM**

The ornamental design for a kegel exercising device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a kegel exercising device showing my new design, illustrating a cable attached to the kegel exercising device.

FIG. 2 is a front view of the kegel exercising device, illustrating the cable attached to the kegel exercising device.

FIG. 3 is a rear view of the kegel exercising device, illustrating the cable attached to the kegel exercising device.

FIG. 4 is a left view of the kegel exercising device, illustrating the cable attached to the kegel exercising device.

FIG. 5 is a right view of the kegel exercising device, illustrating the cable attached to the kegel exercising device.

FIG. 6 is a top view of the kegel exercising device, illustrating the cable attached to the kegel exercising device.

FIG. 7 is a bottom view of the kegel exercising device, illustrating the cable attached to the kegel exercising device.

FIG. 8 is a perspective view of a kegel exercising device, illustrating a flexible handle attached to the kegel exercising device.

FIG. 9 is a front view of the kegel exercising device, illustrating the flexible handle attached to the kegel exercising device.

FIG. 10 is a rear view of the kegel exercising device, illustrating the flexible handle attached to the kegel exercising device.

FIG. 11 is a left view of the kegel exercising device, illustrating the flexible handle attached to the kegel exercising device.

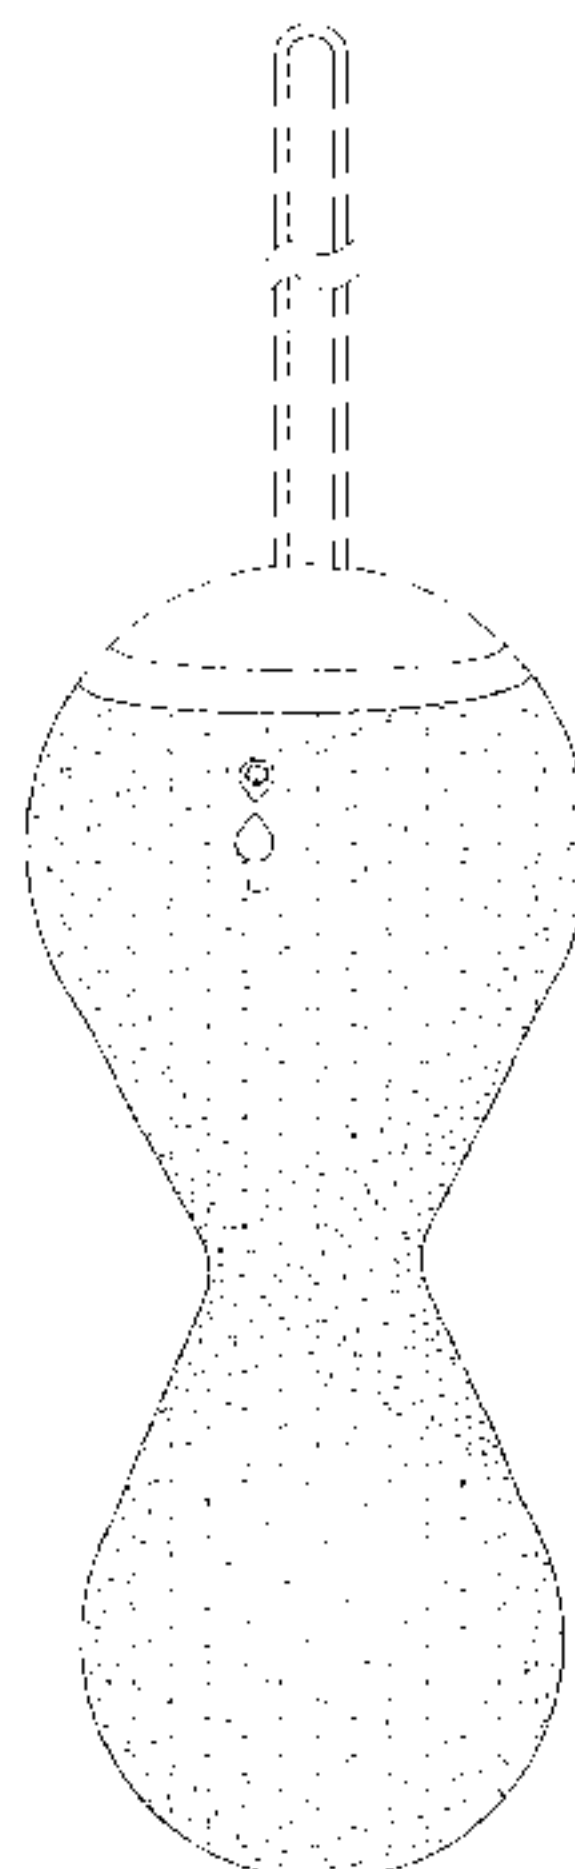

FIG. 12 is a right view of the kegel exercising device, illustrating the flexible handle attached to the kegel exercising device.

FIG. 13 is a top view of the kegel exercising device, illustrating the flexible handle attached to the kegel exercising device; and,

FIG. 14 is a bottom view of the kegel exercising device, illustrating the flexible handle attached to the kegel exercising device.

The broken line portion of the figure drawings is included to show unclaimed subject matter only and forms no part of the claimed design.
