(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface, showing my new design; and, FIG. 2 is a front view thereof, in which a mobile terminal in broken line is provided to illustrate an example environment. The broken lines are for illustrative purposes only and form no part of the claimed design.

The size and the scale of the design within the environment of use in FIG. 2 form no part of the display screen or portion thereof with graphical user interface.
